FREDERICK DOUGLASS BICENTENNIAL COMMISSION

Pub. L. 115-77, Nov. 2, 2017, 131 Stat. 1251, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Frederick Douglass Bicentennial Commission Act’.

“SEC. 2. FINDINGS.

“Congress makes the following findings:

“(1) Born into slavery on the Eastern Shore of Maryland in 1818 and given the name Frederick Augustus Washington Bailey after his mother Harriet Bailey, Frederick Douglass has been called the father of the civil rights movement.

“(2) Douglass rose through determination, brilliance, and eloquence to shape the American Nation. He was an abolitionist, human rights and women’s rights activist, orator, author, journalist, publisher, and social reformer.

“(3) Taught basic reading skills by his mistress until she was forced to stop, Douglass continued to teach himself to read and write and taught other slaves to read despite risks including death.

“(4) During the course of his remarkable life Frederick Douglass escaped from slavery, became internationally renowned for his eloquence in the cause of liberty, and went on to serve the national government in several official capacities.

“(5) Forced to leave the country to avoid arrest as an escaped slave, he returned to become a staunch advocate of the Union cause and helped recruit African-

American troops for the Union Army, including two of his sons, Charles and Lewis Douglass. His personal relationship with Abraham Lincoln helped persuade the President to make emancipation a cause of the Civil War.

“(6) With the abolition of slavery at the close of the Civil War, Douglass then turned his attention to the full integration of African-Americans into the political and economic life of the United States. Committed to freedom, Douglass dedicated his life to achieving justice for all Americans, in particular African-Americans, women, and minority groups. He envisioned America as an inclusive Nation strengthened by diversity and free of discrimination.

“(7) Douglass served as an advisor to Presidents. Abraham Lincoln referred to him as the most meritorious man of the nineteenth century. Douglass was appointed to several offices. He served as the United States Marshal of the District of Columbia under Rutherford B. Hayes’ administration; President James Garfield appointed Douglass the District of Columbia Recorder of Deeds. In 1889, President Benjamin Harrison appointed Frederick Douglass to be the United States minister to Haiti. He was also appointed by President Grant to serve as Assistant Secretary of the Commission of Inquiry to Santo Domingo.

“(8) Douglass lived in the District of Columbia for 23 of his 57 years as a free man, and in recognition of his leadership and continuous fight for justice and freedom, his home, Cedar Hill, was established as a National Historic Site in Anacostia, in Southeast Washington, DC.

“(9) The statue of Frederick Douglass in the United States Capitol is a gift from the almost 700,000 residents of the District of Columbia.

“(10) All Americans could benefit from studying the life of Frederick Douglass, for Douglass dedicated his own life to ensuring freedom and equality for future generations of Americans. This Nation should ensure that his tireless struggle, transformative words, and inclusive vision of humanity continue to inspire and sustain us.

“(11) The year 2018 marks the bicentennial anniversary of the birth of Frederick Douglass, and a commission should be established to plan, develop, and carry out, and to recommend to Congress, programs and activities that are fitting and proper to celebrate that anniversary in a manner that appropriately honors Frederick Douglass.

“(1) From 2014 through 2018, the United States and nations around the world will mark the centennial of World War I, including the entry of the United States into the war in April 1917.

“(2) America’s support of Great Britain, France, Belgium, and its other allies in World War I marked the first time in United States history that American soldiers went abroad in defense of liberty against foreign aggression, and it marked the true beginning of the ‘American century’.

“(3) Although World War I was at the time called ‘the war to end all wars’, in fact the United States would commit its troops to the defense of foreign lands 3 more times in the 20th century.

“(4) More than 4,000,000 men and women from the United States served in uniform during World War I, among them 2 future presidents, Harry S. Truman and Dwight D. Eisenhower. Two million individuals from the United States served overseas during World War I, including 200,000 naval personnel who served on the seas. The United States suffered 375,000 casualties during World War I, including 116,516 deaths.

“(5) The events of 1914 through 1918 shaped the world, the United States, and the lives of millions of people.

“(6) The centennial of World War I offers an opportunity for people in the United States to learn about and commemorate the sacrifices of their predecessors.

“(7) Commemorative programs, activities, and sites allow people in the United States to learn about the history of World War I, the United States involvement in that war, and the war’s effects on the remainder of the 20th century, and to commemorate and honor the participation of the United States and its citizens in the war effort.

Executive Documents

PROC. NO. 10034. ARMED FORCES DAY

Proc. No. 10034, May 15, 2020, 85 F.R. 30585, provided: In times of war and peace alike, on land, at sea, in the skies, in cyberspace, and beyond the Earth's atmosphere, the men and women of our Nation's Armed Forces serve with honor and distinction and stand ready to selflessly defend our Nation. On Armed Forces Day, we pay tribute to these patriots, whose work enables our country to shine always as a beacon of freedom and hope for the world.

Throughout our Nation's history, our Armed Forces have protected our country, our liberty, and our founding principles. Earlier this month, we marked the 75th anniversary of Victory in Europe Day, when United States and Allied forces liberated Europe and North Africa from tyranny and oppression. The courageous actions of these heroes will stand always as monuments to the very best of our Nation. Today, many of our service members have been called into action on the home front to aid in our fight against a new type of enemy—the coronavirus. Our Guardsmen, engineers, logisticians, and medical service members have provided critical lifesaving treatment, protective equipment, facilities, and other vital services and provisions quickly and efficiently to those in need. In March, I was honored as Commander in Chief to salute those aboard the USNS Comfort as these heroes set sail from the shores of Norfolk, Virginia, to bring aid and comfort to people in need of care in New York, New Jersey, and Connecticut. As they have shown throughout this crisis, working to ease the burdens on healthcare workers and first responders, our Armed Forces can adapt to any challenge and succeed in any mission.

My Administration will always remain committed to ensuring our Nation has the strongest and most advanced military in the world. We owe it to our warriors to ensure that we provide them with the necessary training and equipment to meet current and future challenges. Since I took office, we have invested a historic \$2.2 trillion in the United States military, purchasing the finest American-made planes, missiles, rockets, ships, and other pieces of military equipment. Additionally, last year, I was proud to sign into law legislation that provided a 3.1 percent pay raise for our troops—the largest pay raise for our military men and women in a decade—in recognition of their unparalleled duty, honor, courage, and commitment.

This year, we also celebrate the historic creation of the United States Space Force, the first new military branch since the establishment of the United States Air Force more than 70 years ago. We recognize that to combat the evolving threats of a 21st-century world, we must look to the newest warfighting domain and address malign activities in space. America's leadership in space is unparalleled, and with the addition of the United States Space Force, we are now even better positioned to meet the evolving threats in this emerging frontier of technology, exploration, and discovery. Approximately 16,000 military and civilian personnel have already been assigned to the Space Force, embarking on their mission to organize, train, and equip these new fighters responsible for protecting the United States and allied interests in the vast domain of space.

Today, and every day, we reaffirm our unwavering support for the millions of American patriots who fill the ranks of our Armed Forces. We are eternally grateful for every Soldier, Sailor, Airman, Marine, Coast Guardsman, and member of the Space Force, and we deeply appreciate the sacrifices their families and loved ones make on our behalf. As one Nation, we pledge to always honor this service and this devotion given to our great country.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States of America, and Commander in Chief of the Armed Forces of the United States, continuing the tradition of my predecessors in office, do hereby proclaim the third Saturday of each May as Armed Forces Day.

I invite the Governors of the States and Territories and other areas subject to the jurisdiction of the United States, to provide for the observance of Armed Forces Day within their jurisdiction each year in an appropriate manner designed to increase public understanding and appreciation of the Armed Forces of the United States. I also invite veterans, civic, and other organizations to join in the observance of Armed Forces Day each year.

Finally, I call upon all Americans to display the flag of the United States at their homes and businesses on Armed Forces Day, and I urge citizens to learn more about military service by attending and participating in the local observances of the day.

Proclamation 9892 of May 17, 2019, is hereby superseded.

IN WITNESS WHEREOF, I have hereunto set my hand this fifteenth day of May, in the year of our Lord two thousand twenty, and of the Independence of the United States of America the two hundred and forty-fourth.

DONALD J. TRUMP.

PROC. NO. 8455. NATIONAL FARM-CITY WEEK

Proc. No. 8455, Nov. 20, 2009, 74 F.R. 61261, provided:

Our Nation's farm and ranch families supply many of the basic necessities of our daily life. They manage a large portion of our country's fertile land base, and they are caretakers of our valuable natural resources and diverse ecosystems. Their connections with urban and suburban communities are critical to our economy and to the nourishment of our people. During National Farm-City Week, we express gratitude for the contributions of our Nation's farmers and ranchers, and we rededicate ourselves to providing all Americans with access to healthy food, and thus, a healthy future.

Pioneered by Native Americans, agriculture was our Nation's first industry. For agriculture to thrive in the 21st century, we must continue to cultivate the relationships between farmers and rural businesses and their partners and customers in cities and towns. American farmers and ranchers are proud to grow the food, feed, fuel, and fiber that enhance our national security and prosperity, and remain steadfast stewards of the land they love. We must ensure that farming is maintained as an economically, socially, and environmentally sustainable way of life for future generations.

This Thanksgiving season, we celebrate farms of every size that produce fruits, vegetables, dairy, and livestock indispensable to the health of our families. We also recognize the vital ties between our urban and suburban communities and their local farmers through regional food systems, farmers markets, and community gardens. During National Farm-City Week, we celebrate the bounty of America, and we honor the commitment of those who grow, harvest, and deliver agricultural goods to feed our country and grow our economy.

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim the week ending on Thanksgiving Day of each year as National Farm-City Week. I call on Americans as they gather with their families and friends to reflect on the accomplishments of all who dedicate their lives to promoting our Nation's agricultural abundance and environmental stewardship.

IN WITNESS WHEREOF, I have hereunto set my hand this twentieth day of November, in the year of our Lord two thousand nine, and of the Independence of the United States of America the two hundred and thirty-fourth.

BARACK OBAMA.

PROC. NO. 8641. CESAR CHAVEZ DAY

Proc. No. 8641, Mar. 30, 2011, 76 F.R. 18629, provided:

Our Nation's story of progress is rich with profound struggle and great sacrifice, marked by the selfless acts and fearless leadership of remarkable Americans. A true champion for justice, Cesar Chavez advocated for and won many of the rights and benefits we now enjoy, and his spirit lives on in the hands and hearts of working women and men today. As we celebrate the anniversary of his birth, we honor Cesar Chavez's lasting victories for American workers and his noble methods in achieving them.

Raised in the fields of Arizona and California, Cesar Chavez faced hardship and injustice from a young age. At the time, farm workers toiled in the shadows of society, vulnerable to abuse and exploitation. Families like Chavez's were impoverished; exposed to hazardous working conditions and dangerous pesticides; and often denied clean drinking water, toilets, and other basic necessities.

Cesar Chavez saw the need for change and made a courageous choice to work to improve the lives of his

fellow farm workers. Through boycotts and fasts, he led others on a path of nonviolence conceived in careful study of the teachings of St. Francis of Assisi and Mahatma Gandhi, and in the powerful example of Martin Luther King, Jr. He became a community organizer and began his lifelong advocacy to protect and empower people. With quiet leadership and a powerful voice, Cesar founded the United Farm Workers (UFW) with Dolores Huerta, launching one of our Nation's most inspiring social movements.

Cesar Chavez's legacy provides lessons from which all Americans can learn. One person can change the course of a nation and improve the lives of countless individuals. Cesar once said, "Non-violence is not inaction. . . . Non-violence is hard work. It is the willingness to sacrifice. It is the patience to win." From his inspiring accomplishments, we have learned that social justice takes action, selflessness, and commitment. As we face the challenges of our day, let us do so with the hope and determination of Cesar Chavez, echoing the words that were his rallying cry and that continue to inspire so many today, "Sí, se puede"—"Yes, we can."

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim March 31 of each year as Cesar Chavez Day. I call upon all Americans to observe this day with appropriate service, community, and educational programs to honor Cesar Chavez's enduring legacy.

IN WITNESS WHEREOF, I have hereunto set my hand this thirtieth day of March, in the year of our Lord two thousand eleven, and of the Independence of the United States of America the two hundred and thirty-fifth.

BARACK OBAMA.

PROC. NO. 8647. WORLD AUTISM AWARENESS DAY

Proc. No. 8647, Apr. 1, 2011, 76 F.R. 19265, provided:

With autism spectrum disorders (ASDs) affecting nearly one percent of children in the United States, autism is an urgent public health issue with a profound impact on millions of Americans. World Autism Awareness Day is an opportunity to recognize the contributions of individuals with ASDs and rededicate ourselves to the cause of understanding and responding to autism.

Men and women on the autism spectrum have thrived and excelled in communities across America and around the world. Yet, despite great progress in understanding ASDs, challenges remain for these individuals and their loved ones. For too long, the needs of people living with autism and their families have gone without adequate support and understanding. While we continue to encourage the development of resources for children on the autism spectrum and provide necessary resources for their families, we must also remember that young people with ASDs become adults with ASDs who deserve our support, our respect, and the opportunity to realize their highest aspirations.

As our understanding of the autism spectrum grows, my Administration remains dedicated to supporting children and adults impacted by autism. Led by the Department of Health and Human Services, we have expanded investments in autism research, public health tracking, early detection, and services—from early intervention for children to improved long-term services and support programs for adults. My Administration maintains a firm commitment to advance autism research and treatment, as well as promote education, employment, and equality for all individuals with autism, from early childhood through employment and community life. We will continue to work with the Congress, experts, and families to improve Federal and State programs that assist individuals with ASDs and their families and to bolster the impact and reach of community support and services. I encourage all Americans to visit www.HHS.gov/autism for more information and resources on ASDs.

With each breakthrough in research and each innovative treatment, we open endless possibilities for the many American families who have been touched by autism. As we mark World Autism Awareness Day, let us recommit to improving the lives of individuals and families impacted by ASDs and creating a world free from discrimination where all can achieve their fullest potential.

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, by virtue of the authority vested in me by the Constitution and the laws of the United States, do hereby proclaim April 2 of each year as World Autism Awareness Day. I call upon the people of the United States to learn more about autism and what they can do to support individuals on the autism spectrum and their families.

IN WITNESS WHEREOF, I have hereunto set my hand this first day of April, in the year of our Lord two thousand eleven, and of the Independence of the United States of America the two hundred and thirty-fifth.

BARACK OBAMA.

Executive Documents

PROC. NO. 8442. NATIONAL FOREST PRODUCTS WEEK

Proc. No. 8442, Oct. 23, 2009, 74 F.R. 55437, provided:

America’s forests have helped spur the growth and development that has been indispensable to our Nation’s success. They have provided timber and water, as well as habitat for wildlife and opportunities for recreational activities. As a repository for renewable natural resources, forests have supplied the raw materials that have sustained us throughout our history. During National Forest Products Week, we recognize the value

of our woodlands and commit ourselves to good stewardship and conservation practices that help us to responsibly manage our Nation's forests.

As a renewable and recyclable resource, wood is one of our Nation's most environmentally friendly building materials. Wood fiber is used throughout our daily lives, from the paper we write on to the offices where we work. We value the beauty of wood in our furniture, in our homes, and in artwork that surrounds us. Today, modern technology and stewardship practices by Federal, State, tribal, and private landowners have improved the way we manage our natural resources so that forests can meet the needs of current and future generations.

Forests are one of the foundations on which our Nation was formed; they are the backbone of our environment. This week, we recognize the value of forest products and the importance of their sustainable use to our lives.

To recognize the importance of products from our forests, the Congress, by Public Law 86-753 (36 U.S.C. 123), as amended, has designated the week beginning on the third Sunday in October of each year as National Forest Products Week and has authorized and requested the President to issue a proclamation in observance of this week.

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim the week beginning on the third Sunday in October of each year as National Forest Products Week. I call on all Americans to celebrate the varied uses and products of our forested lands, as well as the people who carry on the tradition of careful stewardship of these precious natural resources for generations to come.

IN WITNESS WHEREOF, I have hereunto set my hand this twenty-third day of October, in the year of our Lord two thousand nine, and of the Independence of the United States of America the two hundred and thirty-fourth.

BARACK OBAMA.

Executive Documents

PROC. NO. 8484. NATIONAL POISON PREVENTION WEEK

Proc. No. 8484, Mar. 15, 2010, 75 F.R. 13215, provided:

Since 1962, during National Poison Prevention Week we alert American families about the dangers of accidental poisonings and provide information on safety measures that can prevent senseless injuries and deaths. With nearly two million poison exposures reported each year, we must take every precaution to guard against these preventable tragedies.

Sadly, more than half of all reported poisonings involve children under the age of six, and the vast majority take place in the home. Parents should keep house-

hold chemicals and medicines in child-proof containers, beyond the reach of their children. Thanks to safety regulations and awareness campaigns like National Poison Prevention Week, childhood death rates from unintentional poisonings have fallen considerably. However, adult death rates have steadily risen in recent years.

We must each remember to read labels thoroughly before taking medications, to keep medicines in their original packaging, and to dispose of them properly. Consulting a physician before combining prescription drugs or using them with alcohol also reduces our risks.

In the event of an accidental poisoning, crucial information and immediate action can save lives. Individuals can call the toll-free national poison control hotline at 1-800-222-1222 to be connected to one of dozens of local poison control centers, which are open 24 hours every day. These centers provide emergency assistance, offer guidance on poison prevention, and answer questions concerning potential exposure.

To encourage Americans to learn more about the dangers of accidental poisonings and to take appropriate preventive measures, the Congress, by joint resolution approved September 26, 1961, as amended (75 Stat. 681), has authorized and requested the President to issue a proclamation designating the third week of March each year as “National Poison Prevention Week.”

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim the third week of March of each year as National Poison Prevention Week. I call upon all Americans to observe this week by taking actions to protect their families from hazardous household materials and from the misuse of prescription medications.

IN WITNESS WHEREOF, I have hereunto set my hand this fifteenth day of March, in the year of our Lord two thousand ten, and of the Independence of the United States of America the two hundred and thirty-fourth.

BARACK OBAMA.

PROC. NO. 5574. THE ROSE PROCLAIMED THE NATIONAL FLORAL EMBLEM OF THE UNITED STATES OF AMERICA

Proc. No. 5574, Nov. 20, 1986, 51 F.R. 42197, provided: Americans have always loved the flowers with which God decorates our land. More often than any other flower, we hold the rose dear as the symbol of life and love and devotion, of beauty and eternity. For the love of man and woman, for the love of mankind and God, for the love of country, Americans who would speak the language of the heart do so with a rose.

We see proofs of this everywhere. The study of fossils reveals that the rose has existed in America for age upon age. We have always cultivated roses in our gardens. Our first President, George Washington, bred roses, and a variety he named after his mother is still grown today. The White House itself boasts a beautiful Rose Garden. We grow roses in all our fifty States. We find roses throughout our art, music, and literature. We decorate our celebrations and parades with roses. Most of all, we present roses to those we love, and we lavish them on our altars, our civil shrines, and the final resting places of our honored dead.

The American people have long held a special place in their hearts for roses. Let us continue to cherish them, to honor the love and devotion they represent, and to bestow them on all we love just as God has bestowed them on us.

The Congress, by Senate Joint Resolution 159 [Pub. L. 99-449, now this section], has designated the rose as the National Floral Emblem of the United States and authorized and requested the President to issue a proclamation declaring this fact.

NOW, THEREFORE, I, RONALD REAGAN, President of the United States of America, do hereby proclaim the rose as the National Floral Emblem of the United States of America.

IN WITNESS WHEREOF, I have hereunto set my hand this twentieth day of November, in the year of our Lord nineteen hundred and eighty-six, and of the Independence of the United States of America the two hundred and eleventh.

RONALD REAGAN.

§ 701. Findings

Congress finds that—

(1) Federal lands, parks, recreation areas, and waterways provide recreational opportunities for millions of Americans each year;

(2) Federal lands administered by Federal land management agencies contain valuable wildlife, scenery, natural and historic features, and other resources which may be damaged by litter and misuse;

(3) it is in the best interest of the United States and its citizens to maintain and preserve the beauty, safety, and availability of these Federal lands;

(4) these Federal land management agencies have been designated as the caretakers of these Federal lands and are responsible for maintaining and preserving those areas and facilities;

¹ See References in Text note below.

(5) there is great value in volunteer involvement in maintaining and preserving Federal lands for recreational use;

(6) the Federal land management agencies should be concerned with promoting a sense of pride and ownership among citizens toward these lands;

(7) the use of citizen volunteers in a national cleanup effort promotes these goals and encourages the thoughtful use of these Federal lands and facilities;

(8) the positive impact of annual cleanup events held at various recreation sites has already been proven by steadily declining levels of litter at these sites; and

(9) a national program for cleaning and maintaining Federal lands using volunteers will save millions of tax dollars.

Editorial Notes

AMENDMENTS

1998—Subsec. (b). Pub. L. 105-368 substituted “National Cemetery Administration” for “National Cemetery System”.

§ 2106. War memorials not built by the United States Government

(a) COOPERATION WITH OTHERS.—The American Battle Monuments Commission may cooperate with citizens of the United States, States, municipalities, or associations desiring to build war memorials outside the continental limits of the United States in the way the Commission decides. An administrative agency of the United States Government may give assistance to build the memorial only if a plan for the memorial has been approved under this chapter.

(b) CONTROL, ADMINISTRATION, AND MAINTENANCE OF WAR MEMORIALS.—(1) The Commission may assume responsibility for the control, administration, and maintenance of any war memorial built outside the United States by a citizen of the United States, a State, a political subdivision of a State, a governmental authority (except a department, agency, or instrumentality of the United States Government), a foreign agency, or a private association to commemorate the services of any of the Armed Forces in hostilities occurring since April 6, 1917, if—

(A) the memorial is not built on the territory of the applicable former enemy; and

(B) the sponsors of the memorial consent to the Commission assuming those responsibilities and transfer to the Commission all their rights and interests in the memorial.

(2) If reasonable effort fails to locate the sponsors of a memorial, the Commission may assume responsibility for the memorial under this subsection by agreement with the appropriate foreign authorities. A decision of the Commission to assume responsibility for a war memorial under this subsection is final.

(3) Sponsors of a war memorial for which the Commission assumes responsibility under this subsection may transfer amounts accumulated to maintain and repair the memorial to the Commission for use in carrying out this chapter. Except as provided in subsection (c) of this section, the Commission shall deposit transferred amounts as provided in section 2103(e) of this title.

(c) ARRANGEMENTS FOR REPAIR OR LONG-TERM MAINTENANCE OF MEMORIALS.—In assuming responsibility for a war memorial under subsection (b)(1) or (2) of this section, the Commission may arrange with the sponsors of the memorial to provide for repair or long-term maintenance of the memorial. An amount transferred to the Commission for the purpose of this subsection shall be deposited by the Commission in the fund established under subsection (d) of this section.

(d) FUND FOR ARRANGEMENTS FOR REPAIR OR LONG-TERM MAINTENANCE OF MEMORIALS.—(1) There is a fund in the Treasury that is available to the Commission for expenses of repair and long-term maintenance of memorials for which

the Commission has made arrangements under subsection (c) of this section. The fund consists of—

(A) amounts deposited into, and interest and proceeds credited to, the fund under paragraph (2) of this subsection; and

(B) obligations obtained under paragraph (3) of this subsection.

(2) The Commission shall deposit into the fund the amounts that are accepted under subsection (c) of this section. The Secretary of the Treasury shall credit to the fund the interest on, and the proceeds from the sale or redemption of, obligations held in the fund.

(3) The Secretary shall invest any part of the fund that the Commission decides is not required to meet current expenses. Each investment shall be made in an interest-bearing obligation of the United States Government, or an obligation that has its principal and interest guaranteed by the Government, that the Commission decides has a maturity suitable for the fund.

(4) The Commission shall separately account for all amounts deposited in and expended from the fund for each war memorial for which an arrangement for repair or long-term maintenance is made under subsection (c) of this section.

(e) DEMOLITION OF WAR MEMORIAL BUILT IN A FOREIGN COUNTRY AND DISPOSITION OF SITE.—The Commission may take necessary action to demolish any war memorial built outside the United States by a citizen of the United States, a State, a political subdivision of a State, a governmental authority (except a department, agency, or instrumentality of the United States Government), a foreign agency, or a private association and to dispose of the site of the memorial in a way the Commission decides is proper, if—

(1) the appropriate foreign authorities agree to the demolition; and

(2)(A) the sponsor of the memorial consents to the demolition; or

(B) the memorial has fallen into disrepair and a reasonable effort by the Commission has failed—

(i) to persuade the sponsor to maintain the memorial at a standard acceptable to the Commission; or

(ii) to locate the sponsor.

§ 2109. Foreign Currency Fluctuations Account

(a) ESTABLISHMENT AND PURPOSE.—There is an account in the Treasury known as the “Foreign Currency Fluctuations, American Battle Monuments Commission, Account”. The Account shall be used to provide amounts, in addition to amounts appropriated for salaries and expenses of the Commission, to pay the cost of salaries and expenses that exceeds the amount appropriated for salaries and expenses because of fluctuations in currency exchange rates of foreign countries occurring after a budget request for the Commission is submitted to Congress. The Account may not be used for any other purpose.

(b) INCREASE IN PERMISSIBLE OBLIGATIONS OF AMOUNTS.—A provision of law limiting the amounts the Commission may obligate in a fiscal year shall be increased to the extent necessary to reflect fluctuations in exchange rates from those used in preparing the budget submission.

(c) TRANSFERRED AMOUNTS.—(1) Amounts in the Account may be transferred to amounts appropriated for salaries and expenses of the Commission. Transferred amounts shall be merged with, and are available for the same time period as, the appropriation to which they are applied.

(2) AMOUNTS TRANSFERRED FROM THE ACCOUNT MAY BE TRANSFERRED BACK—

(A) if the amounts are not needed to pay obligations incurred because of fluctuations in currency exchange rates of foreign countries in the appropriation to which the amounts were originally transferred; or

(B) because of subsequent favorable fluctuations in the rates or because other amounts are, or become, available to pay the obligations.

(3) Amounts transferred to an appropriation under this subsection may not be transferred back to the Account after the end of the 2d fiscal year after the fiscal year in which the appropriation was available for obligation.

(d) RECORDING OF OBLIGATIONS AND FLUCTUATIONS IN EXCHANGE RATES.—An obligation of the Commission payable in the currency of a foreign country may be recorded as an obligation based on exchange rates used in preparing a budget submission. A change reflecting fluctuations in exchange rates may be recorded as a disbursement is made.

(e) UNOBLIGATED BALANCES.—The unobligated balance of an appropriation for salaries and expenses may be transferred to the Account not later than the end of the second fiscal year following the fiscal year for which the appropriation was made. The unobligated balance shall be merged with, and be available for the same period and purposes as, the Account.

(f) ANNUAL REPORT.—The Commission each year shall submit to the appropriate committees

of Congress a report on amounts transferred under this section.

Subject to the availability of funds, all the costs incurred in the disinterment, reinterment in Corozal Cemetery, and transportation of remains required by this Order, including the costs of preparation, cremation if requested, and a casket or urn, shall be borne by the United States of America. The costs of reinterment in the United States, including any costs for funeral home services, vaults, plots, or crypts, will be the responsibility of the next of kin making the request, except to the extent otherwise provided by law, including any unused specific entitlements available pursuant to statute.

1-106. (a) The Governor of the Canal Zone shall identify, to the extent feasible, the closest surviving next of kin of each deceased United States citizen buried in the Mount Hope and Corozal Cemeteries, and of such next of kin of each member of the immediate family that is buried with such United States citizen.

(b) The Governor shall provide notice to the next of kin of such deceased buried in Mount Hope Cemetery that the Government plans to remove the deceased to Corozal Cemetery unless the next of kin requests in writing, not later than three months after the first issuance of such notification, either that the remains not be removed from Mount Hope Cemetery, or that the remains be moved to, and reinterred in, the United States in a cemetery or other burial site designated by the next of kin.

(c) The Governor shall also provide notice to the next of kin of such deceased who are buried in Corozal Cemetery that the Government will disinter and transport such deceased to the United States for reinterment in

a cemetery or other burial site designated by the next of kin, if the next of kin so requests in writing not later than April 1, 1982.

(d) The Governor shall publish the notices provided for in subsections (b) and (c) of this Section in appropriate newspapers, magazines and other periodicals, and utilize such other means of communicating with the next of kin that he finds to be practical and effective.

1-107. The Governor of the Canal Zone shall, before the entry into force of the Neutrality Treaty, fully advise the next of kin of all available options, and their implications, in those cases where a request has been made that remains not be removed from Mount Hope Cemetery.

1-108. The Secretary of the Army shall supervise the planned removal of the remains from Mount Hope Cemetery to Corozal Cemetery and shall ensure compliance with the wishes of any next of kin who, within the time specified in clause B(i) to the Third Reservation to the Neutrality Treaty, objects to such removal.

1-109. As used in this Order:

(a) "Next of kin" means the person whom the Governor of the Canal Zone determines to be the nearest living relative, by consanguinity or affinity, of a person buried at Mount Hope Cemetery or Corozal Cemetery.

§ 2113. World War II memorial in the District of Columbia

(a) SOLICITATION AND ACCEPTANCE OF CONTRIBUTIONS.—(1) Consistent with its authority under section 2103(e) of this title, the American Battle Monuments Commission shall solicit and accept contributions for the World War II memorial.

(2) In this section, the term "World War II memorial" means the memorial authorized by Public Law 103-32 (40 U.S.C. 8903 note) to be established by the Commission on Federal land in the District of Columbia or its environs to honor members of the Armed Forces who served in World War II and to commemorate the participation of the United States in that war.

(b) CREATION OF MEMORIAL FUND.—(1) There is hereby created in the Treasury a fund for the World War II memorial, which shall consist of the following:

(A) Amounts deposited, and interest and proceeds credited, under paragraph (2).

(B) Obligations obtained under paragraph (3).

(C) The amount of surcharges paid to the Commission for the World War II memorial

under the World War II 50th Anniversary Commemorative Coins Act (31 U.S.C. 5112 note).

(D) Amounts borrowed using the authority provided under subsection (d).

(E) Any funds received by the Commission under section 2114 of this title in exchange for use of, or the right to use, any mark, copyright or patent.

(2) The Chairman of the Commission shall deposit in the fund the amounts accepted as contributions under subsection (a). The Secretary of the Treasury shall credit to the fund the interest on, and the proceeds from sale or redemption of, obligations held in the fund.

(3) The Secretary of the Treasury shall invest any portion of the fund that, as determined by the Chairman, is not required to meet current expenses. Each investment shall be made in an interest-bearing obligation of the United States or an obligation guaranteed as to principal and interest by the United States that, as determined by the Chairman, has a maturity suitable for the fund.

(c) USE OF FUND.—The fund shall be available to the Commission—

(1) for the expenses of establishing the World War II memorial, including the maintenance and preservation amount provided for in section 8906(b) of title 40;

(2) for such other expenses, other than routine maintenance, with respect to the World War II memorial as the Commission considers warranted; and

(3) to secure, obtain, register, enforce, protect, and license any mark, copyright, or patent that is owned by, assigned to, or licensed to the Commission under section 2114 of this title to aid or facilitate the construction of the World War II memorial.

(d) SPECIAL BORROWING AUTHORITY.—(1) To assure that groundbreaking, construction, and dedication of the World War II memorial are carried out on a timely basis, the Commission may borrow money from the Treasury of the United States in such amounts as the Commission considers necessary, but not to exceed a total of \$65,000,000. Borrowed amounts shall bear interest at a rate determined by the Secretary of the Treasury, taking into consideration the average market yield on outstanding marketable obligations of the United States of comparable maturities during the month preceding the month in which the obligations of the Commission are issued. The interest payments on such obligations may be deferred with the approval of the Secretary, but any interest payment so deferred shall also bear interest.

(2) The borrowing of money by the Commission under paragraph (1) shall be subject to such maturities, terms, and conditions as may be agreed upon by the Commission and the Secretary, except that the maturities may not exceed 20 years and such borrowings may be redeemable at the option of the Commission before maturity.

(3) The obligations of the Commission shall be issued in amounts and at prices approved by the Secretary. The authority of the Commission to issue obligations under this subsection shall re-

main available without fiscal year limitation. The Secretary of the Treasury shall purchase any obligations of the Commission to be issued under this subsection, and for such purpose the Secretary of the Treasury may use as a public debt transaction of the United States the proceeds from the sale of any securities issued under chapter 31 of title 31. The purposes for which securities may be issued under such chapter are extended to include any purchase of the Commission's obligations under this subsection.

(4) Repayment of the interest and principal on any funds borrowed by the Commission under paragraph (1) shall be made from amounts in the fund. The Commission may not use for such purpose any funds appropriated for any other activities of the Commission.

(e) TREATMENT OF BORROWING AUTHORITY.—In determining whether the Commission has sufficient funds to complete construction of the World War II memorial, as required by section 8906 of title 40, the Secretary of the Interior shall consider the funds that the Commission may borrow from the Treasury under subsection (d) as funds available to complete construction of the memorial, whether or not the Commission has actually exercised the authority to borrow such funds.

(f) VOLUNTARY SERVICES.—(1) Notwithstanding section 1342 of title 31, the Commission may accept from any person voluntary services to be provided in furtherance of the fund-raising activities of the Commission relating to the World War II memorial.

(2) A person providing voluntary services under this subsection shall be considered to be a Federal employee for purposes of chapter 81 of title 5, relating to compensation for work-related injuries, and chapter 171 of title 28, relating to tort claims. A volunteer who is not otherwise employed by the United States shall not be considered to be a Federal employee for any other purpose by reason of the provision of such voluntary service, except that any volunteer given responsibility for the handling of funds or the carrying out of a Federal function is subject to the conflict of interest laws contained in chapter 11 of title 18 and the administrative standards of conduct contained in part 2635 of title 5 of the Code of Federal Regulations.

(3) The Commission may provide for reimbursement of incidental expenses that are incurred by a person providing voluntary services under this subsection. The Commission shall determine those expenses that are eligible for reimbursement under this paragraph.

(4) Nothing in this subsection shall be construed to require any Federal employee to work without compensation or to allow the use of volunteer services to displace or replace any Federal employee.

SUPPORT FOR HOLOCAUST EDUCATION PROGRAMS

Pub. L. 116-141, May 29, 2020, 134 Stat. 636, provided that:

“SECTION 1. SHORT TITLE.

“This Act may be cited as the ‘Never Again Education Act’.

“SEC. 2. FINDINGS.

“The Congress finds the following:

“(1) The United States has demonstrated a commitment to remembrance and education about the Holocaust through bilateral relationships and engagement in international organizations such as the United Nations and the International Holocaust Remembrance Alliance; the United States works to promote Holocaust education as a means to understand the importance of democratic principles, use and abuse of power, and to raise awareness about the importance of genocide prevention today.

“(2) The Congress has played a critical role in preserving the memory of the Holocaust and promoting awareness, including by authorizing the United States Holocaust Memorial Museum as an independent establishment of the Federal Government to ensure that ‘the study of the Holocaust become part of the curriculum in every school system in the country’, as well as by establishing a national Holocaust Remembrance Day in 1978.

“(3) 75 years after the conclusion of World War II, with the decreasing number of eyewitnesses and growing distance of students and their families from this history, it is important to institutionalize education about the events of the Holocaust such as the German Nazis’ racist ideology, propaganda, and plan to lead a state to war and, with their collaborators, kill millions—including the systematic murder of 6,000,000 Jewish people; as well as the persecution and

murder of millions of others in the name of racial purity, political, ideological, and behavioral grounds, among them Roma, the disabled, the Slavs, Communists, Socialists, Jehovah’s Witnesses, and homosexuals.

“(4) As intolerance, antisemitism, and bigotry are promoted by hate groups, Holocaust education provides a context in which to learn about the danger of what can happen when hate goes unchallenged and there is indifference in the face of the oppression of others; learning how and why the Holocaust happened is an important component of the education of citizens of the United States.

“(5) Today, those who deny that the Holocaust occurred or distort the true nature of the Holocaust continue to find forums, especially online; this denial and distortion dishonors those who were persecuted, and murdered, making it even more of a national imperative to educate students in the United States so that they may explore the lessons that the Holocaust provides for all people, sensitize communities to the circumstances that gave rise to the Holocaust, and help youth be less susceptible to the falsehood of Holocaust denial and distortion and to the destructive messages of hate that arise from Holocaust denial and distortion.

“(6) Currently, 12 States (California, Connecticut, Florida, Illinois, Indiana, Kentucky, Michigan, New Jersey, New York, Oregon, Pennsylvania, and Rhode Island) require by law that schools teach students about the Holocaust; more schools and teachers, including those in underserved communities, can and should deliver quality Holocaust education.

“(7) For more than 30 years, the United States Holocaust Memorial Museum has worked to build and support the field of Holocaust education, and advance the quality and sustainability of Holocaust education at the local, State, and national levels, by engaging teachers and students across disciplines and grade levels.

“(8) The Federal Government, through support for educational activities of national museums established under Federal law, can assist teachers in efforts to incorporate historically accurate instruction on human rights atrocities, including the Holocaust, in curricula.

“SEC. 3. DEFINITIONS.

“In this Act:

“(1) **ANTISEMITISM.**—The term ‘antisemitism’ means a certain perception of Jews, which may be expressed as hatred toward Jews. cution and murder of 6,000,000 Jews by the Nazi regime and its allies and collaborators. The text of 36:1166, 1213(a), and 5206(a) is omitted as unnecessary because of the restatement of 36:1102 and 1103 as general provisions covering, except as otherwise provided, all federally chartered corporations referred to in part B of subtitle II of the revised title. In subsection (a), before clause (1), the words “Except as otherwise provided” are added because certain corporations referred to in part B of subtitle II of the revised title are not covered by the audit requirements restated in the revised section. The words “at the place or places” and “or persons” are omitted as unnecessary. The words “financial statements” are substituted for “accounts” to use the generally accepted term for audits conducted by public accountants. The words “shall be given access to” are substituted for “shall be made available to” and “shall be afforded to” for consistency. In clause (1), the words “records and property owned or used by” are substituted for “books, accounts, financial records, reports, files, and all other papers, things, or property belonging to or in use by” for consistency in the revised title and with other titles of the United States Code and to eliminate unnecessary words.

In subsection (b)(1)(B), the words “supplemented . . . by” and “carried on by the corporation” are omitted as unnecessary.

Subsec. (b). Pub. L. 116-7, §2(2), substituted “FFA” for “corporation”.

§ 70902. Purposes

The purposes of the FFA are—

(2) to advance comprehensive agricultural education in the United States, including in public schools, by supporting contextual classroom and laboratory instruction and work-based experiential learning;

(3) to prepare students for successful entry into productive careers in fields relating to agriculture, food, and natural resources, including by connecting students to relevant post-secondary educational pathways and focusing on the complete delivery of classroom and laboratory instruction, work-based experiential learning, and leadership development;

(4) to be a resource and support organization that does not select, control, or supervise State association, local chapter, or individual member activities;

(5) to develop educational materials, programs, services, and events as a service to State and local agricultural education agencies;

(6) to seek and promote inclusion and diversity in its membership, leadership, and staff to reflect the belief of the FFA in the value of all human beings;

(7) to create, foster, and assist subsidiary chapters¹ and associations of those chapters in the States, territories, and possessions of the United States as such chapters and associations carry out agricultural education programs that are approved by States, territories, or possessions;

(8) to build character,¹ and develop competent and assertive agricultural leadership;

(9) to increase awareness of the global and technological importance of agriculture, food, and natural resources, and the way agriculture contributes to our well-being;

(10) to promote the intelligent choice and establishment of a career in fields relating to agriculture, food, and natural resources;

¹ So in original.

(11) to make available to State associations, local chapters, and members all official supplies, programs, services, and equipment of the FFA;

Statutory Notes and Related Subsidiaries

SEVERABILITY

Pub. L. 116–189, §12, Oct. 30, 2020, 134 Stat. 973, provided that: “If any provision of this Act [see Short Title of 2020 Amendment note set out under section 101 of this title], or an amendment made by this Act, is determined to be unenforceable or invalid, the remaining provisions of this Act and the amendments made by this Act shall not be affected.”

FINDINGS

Pub. L. 116–189, §2, Oct. 30, 2020, 134 Stat. 943, provided that: “Congress makes the following findings:

“(1) The courageous voice of survivors is a call to action to end emotional, physical, and sexual abuse in the Olympic and Paralympic movement.

“(2) Larry Nassar, the former national team doctor for USA Gymnastics, sexually abused over 300 athletes for over two decades because of ineffective oversight by USA Gymnastics and the United States Olympic Committee.

“(3) While the case of Larry Nassar is unprecedented in scale, the case is hardly the only recent incident of sexual abuse in amateur sports.

“(4) Survivors of Larry Nassar’s abuse and all survivors of abuse in the Olympic and Paralympic movement deserve justice and redress for the wrongs the survivors have suffered.

“(5) After a comprehensive congressional investigation, including interviews and statements from survivors, former and current organization officials, law enforcement, and advocates, Congress found that the United States Olympic Committee and USA Gymnastics fundamentally failed to uphold their existing statutory purposes and duty to protect amateur athletes from sexual, emotional, or physical abuse.

“(6) USA Gymnastics and the United States Olympic Committee knowingly concealed abuse by Larry Nassar, leading to the abuse of dozens of additional amateur athletes during the period beginning in the summer of 2015 and ending in September 2016.

“(7) Ending abuse in the Olympic and Paralympic movement requires enhanced oversight to ensure that the Olympic and Paralympic movement does more to serve athletes and protect their voice and safety.”

Statutory Notes and Related Subsidiaries

FINDINGS; SENSE OF CONGRESS

Pub. L. 110–26, § 2, May 11, 2007, 121 Stat. 103, provided that:

“(a) FINDINGS.—Congress makes the following findings:

“(1) Substantive changes to the Congressional Charter of The American National Red Cross have not been made since 1947.

“(2) In February 2006, the board of governors of The American National Red Cross (the ‘Board of Governors’) commissioned an independent review and analysis of the Board of Governors’ role, composition, size, relationship with management, governance relationship with chartered units of The American National Red Cross, and whistle blower and audit functions.

“(3) In an October 2006 report of the Board of Governors, entitled ‘American Red Cross Governance for the 21st Century’ (the ‘Governance Report’), the Board of Governors recommended changes to the Congressional Charter, bylaws, and other governing documents of The American National Red Cross to modernize and enhance the effectiveness of the Board of Governors and governance structure of The American National Red Cross.

“(4) It is in the national interest to create a more efficient governance structure of The American National Red Cross and to enhance the Board of Governors’ ability to support the critical mission of The American National Red Cross in the 21st century.

“(5) It is in the national interest to clarify the role of the Board of Governors as a governance and strategic oversight board and for The American National Red Cross to amend its bylaws, consistent with the recommendations described in the Governance Report, to clarify the role of the Board of Governors and to outline the areas of its responsibility, including—

“(A) reviewing and approving the mission statement for The American National Red Cross;

“(B) approving and overseeing the corporation’s strategic plan and maintaining strategic oversight of operational matters;

“(C) selecting, evaluating, and determining the level of compensation of the corporation’s chief executive officer;

“(D) evaluating the performance and establishing the compensation of the senior leadership team and providing for management succession;

“(E) overseeing the financial reporting and audit process, internal controls, and legal compliance;

“(F) holding management accountable for performance;

“(G) providing oversight of the financial stability of the corporation;

“(H) ensuring the inclusiveness and diversity of the corporation;

“(I) ensuring the chapters of the corporation are geographically and regionally diverse;

“(J) providing oversight of the protection of the brand of the corporation; and

“(K) assisting with fundraising on behalf of the corporation.

“(6)(A) The selection of members of the Board of Governors is a critical component of effective governance for The American National Red Cross, and, as such, it is in the national interest that The American National Red Cross amend its bylaws to provide a method of selection consistent with that described in the Governance Report.

“(B) The new method of selection should replace the current process by which—

“(i) 30 chartered unit-elected members of the Board of Governors are selected by a non-Board committee which includes 2 members of the Board of Governors and other individuals elected by the chartered units themselves;

“(ii) 12 at-large members of the Board of Governors are nominated by a Board committee and elected by the Board of Governors; and

“(iii) 8 members of the Board of Governors are appointed by the President of the United States.

“(C) The new method of selection described in the Governance Report reflects the single category of members of the Board of Governors that will result from the implementation of this Act [see Short Title of 2007 Amendment note set out under section 101 of this title]:

“(i) All Board members (except for the chairman of the Board of Governors) would be nominated by a single committee of the Board of Governors taking into account the criteria outlined in the Governance Report to assure the expertise, skills, and experience of a governing board.

“(ii) The nominated members would be considered for approval by the full Board of Governors and then submitted to The American National Red Cross annual meeting of delegates for election, in keeping with the standard corporate practice whereby shareholders of a corporation elect members of a board of directors at its annual meeting.

“(7) The United States Supreme Court held The American National Red Cross to be an instrumentality of the United States, and it is in the national interest that the Congressional Charter confirm that status and that any changes to the Congressional Charter do not affect the rights and obligations of The American National Red Cross to carry out its purposes.

“(8) Given the role of The American National Red Cross in carrying out its services, programs, and activities, and meeting its various obligations, the effectiveness of The American National Red Cross will be promoted by the creation of an organizational ombudsman who—

“(A) will be a neutral or impartial dispute resolution practitioner whose major function will be to provide confidential and informal assistance to the many internal and external stakeholders of The American National Red Cross;

“(B) will report to the chief executive officer and the audit committee of the Board of Governors; and

“(C) will have access to anyone and any documents in The American National Red Cross.

“(b) SENSE OF CONGRESS.—It is the sense of Congress that—

“(1) charitable organizations are an indispensable part of American society, but these organizations can only fulfill their important roles by maintaining the trust of the American public;

“(2) trust is fostered by effective governance and transparency, which are the principal goals of the recommendations of the Board of Governors in the Governance Report and this Act;

“(3) Federal and State action play an important role in ensuring effective governance and transparency by setting standards, rooting out violations, and informing the public;

“(4) while The American National Red Cross is and will remain a Federally chartered instrumentality of the United States, and it has the rights and obligations consistent with that status, The American National Red Cross nevertheless should maintain appropriate communications with State regulators of charitable organizations and should cooperate with them as appropriate in specific matters as they arise from time to time; and

“(5) while The American National Red Cross is and will remain a Federally chartered instrumentality of the United States, and it has the rights and obligations consistent with that status, The American National Red Cross nevertheless should maintain appropriate communications and collaborations with local, community, and faith-based non-profit organizations, including those organizations that work within minority communities.”

§ 300102. Purposes

(1) to provide volunteer aid in time of war to the sick and wounded of the Armed Forces, in accordance with the spirit and conditions of—

(A) the conference of Geneva of October 1863;

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
300108	36:13.	Feb. 7, 1930, ch. 42, §§ 1, 5, 46 Stat. 66.
	36:15.	June 7, 1924, ch. 369, §§ 1, 2, 4, 43 Stat. 665, 666.

Subsection (a)(1) is substituted for “land occupied in part on June 7, 1924, by the Memorial to the Women of the Civil War, the permanent headquarters of the American Red Cross” in 36:15 because the words in the source refer to the building, provided for by the Act of October 22, 1913 (ch. 32 (par. under heading “Monument to Commemorate the Women of the Civil War”), 38 Stat. 233), that was built as the permanent headquarters of the American Red Cross, the predecessor organization to the corporation.

In subsection (a)(2), the words “That there is hereby authorized to be appropriated out of any money in the Treasury not otherwise appropriated the sum of \$150,000 as a part contribution to the erection of . . . with equipment” in section 1 of the Act June 7, 1924 (ch. 369, 43 Stat. 665), are omitted as executed. The words “That said memorial shall be a building monumental in design and character . . . and shall cost not less than \$300,000: *Provided*, That this expenditure shall include complete equipment” in section 2 of that Act are omitted as executed. The words “The expenditures for said memorial building shall be made under the direction of a commission consisting of the chairman of the Senate Committee on the Library and the chairman of the House Committee on the Library” in section 4 (last par.) of that Act are omitted as executed. The text of section 4 (1st par.) of that Act is omitted as executed. The words “of America” are omitted as unnecessary. The words “its territories and possessions” are substituted for “its insular possessions” for clarity and consistency in the revised title and with other titles of the United States Code. The words “World War I” are substituted for “the World War” for clarity.

In subsection (a)(3), the words “That authority be, and is hereby, given to the American National Red Cross to erect . . . in replacement of the temporary

building or buildings erected on such lot under Public Resolution Numbered 3, Sixty-fifth Congress (S.J. Res. 61)” in section 1 of the Act of February 7, 1930 (ch. 42, 46 Stat. 66) are omitted as executed.

In subsection (b), the words “Administrator of General Services” are substituted for “Superintendent of Public Buildings and Grounds” in section 4 (last par.) of the Act June 7, 1924 (ch. 369, 43 Stat. 666) and “Director of Public Buildings and Public Parks of the National Capital” in section 5 of the Act of February 7, 1930 (ch. 42, 46 Stat. 66) to reflect subsequent transfers of functions. The office of Public Buildings and Grounds under the Chief of Engineers was abolished and the functions of the Chief of Engineers, United States Army, were transferred to the Director of Public Buildings and Public Parks of the National Capital by section 3 of the Act of February 26, 1925 (ch. 339, 43 Stat. 983). The office of Public Buildings and Public Parks of the National Capital was abolished and its functions transferred to the Office of National Parks, Buildings and Reservations of the Department of the Interior by section 2 of Executive Order No. 6166, effective June 10, 1933. The name of the latter office was changed to “National Park Service” by section 1 of the Act of March 2, 1934 (ch. 38, 48 Stat. 389). The functions of the Director of the National Park Service related to public buildings were transferred to the Federal Works Administrator by section 303(b) of Reorganization Plan No. 1 of 1939 (5 App. U.S.C.). The functions of the Federal Works Administrator were transferred to the Administrator of General Services by section 103(a) of the Act of June 30, 1949 (ch. 288, 63 Stat. 380). The words “the corporation shall care for and maintain the buildings” are substituted for “the American National Red Cross shall at all times be charged with the responsibility, the care, keeping, and maintenance of said building” in 36:13, and “the American Red Cross shall at all times be charged with the responsibility, the care, keeping, and maintenance of the said memorial building” in 36:15, for clarity and to eliminate unnecessary words.
