

EXPLANATION OF H.R. XXXX, TO MAKE TECHNICAL AMENDMENTS TO UPDATE STATUTORY REFERENCES TO CERTAIN PROVISIONS CLASSIFIED TO TITLE 7, TITLE 20, AND TITLE 43, UNITED STATES CODE.

Purpose and Summary

H.R. XXXX makes technical amendments to update statutory references to certain provisions classified to title 7, title 20, and title 43, United States Code. The amendments are required because the provisions were reclassified editorially to improve the organization of the provisions in the Code.

Background

In November 2016, part C of title IV of the Higher Education Act of 1965 (Public Law 89-329), which had been set out in the United States Code at 42 U.S.C. 2751 et seq., was editorially transferred to appear at 20 U.S.C. 1087-51 et seq. Part C of title IV of the Higher Education Act of 1965 originally had been enacted as part C of title I of the Economic Opportunity Act of 1964 and set out within chapter 34 of title 42 of the Code, along with the rest of that Act. Subsequently, Public Law 90-575 transferred part C of title I of the Economic Opportunity Act of 1964 to become part C of title IV of the Higher Education Act of 1965, but the location in the Code of the affected provisions was not changed. The editorial transfer was made in November 2016 in order to bring the structure of the Code into logical correspondence with the structure of the Higher Education Act of 1965 in title 20 of the Code and to simplify references to the Act. No statutory text was altered.

In July 2017, two chapters containing miscellaneous provisions, located in two different titles of the United States Code, were editorially reorganized. The chapters are chapter 17 ("Miscellaneous Matters") of title 7, United States Code, and chapter 28 ("Miscellaneous Provisions Relating to Public Lands") of title 43, United States Code. No statutory text was altered in this reorganization. The provisions were merely transferred from one place to another in the Code, primarily to other locations in title 7 and title 43, respectively.

The changes described above were necessary to improve the organizational structure of the material in the United States Code. The Office of the Law Revision Counsel has prepared the bill and submitted it to the Committee on the Judiciary as part of the Office's ongoing responsibility under section 285b of title 2, United States Code, to maintain the United States Code and assist the Committee in the revision and codification of Federal statutes.
