Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the first section of the Act entitled "An Act to provide for the promotion of vocational rehabilitation of persons disabled in industry or otherwise and their return to civil employment," approved June 2, 1920, as amended (United States Code, title 29, sections 31 and 32), is hereby amended to read as follows:

"That in order to provide for the promotion of vocational rehabilitation of persons disabled in industry or otherwise and their placement in employment, there is hereby authorized to be appropriated for the use of the States, subject to the provisions of this Act, for the fiscal year ending June 30, 1931, the sum of \$1,000,000; for the fiscal year ending June 30, 1932, the sum of \$1,000,000; and for the fiscal year ending June 30, 1933, the sum of \$1,000,000. Said sums shall be allotted to the States in the proportion which their populations bear to the total population in the United States, not including Territories, outlying possessions, and the District of Columbia, according to the last preceding United States Census: *Provided*, That the allotment of funds to any State shall not be less than a minimum of \$10,000 for any fiscal year: *Provided further*, That such portions of the sums allotted that will not be used in any fiscal year may be allotted in that year proportionally to the States which are prepared through available State funds to use the additional Federal funds. And there is hereby authorized to be appropriated for each of the fiscal years ending June 30, 1931, June 30, 1932, and June 30, 1933, the sum of \$97,000 or so much thereof as may be needed, which shall be used for the purpose of providing the minimum allotments to the States provided for in this section.

"All money expended under the provisions of this Act from appropriations authorized by section 1 shall be upon the condition (1) that for each dollar of Federal money expended there shall be expended in the State under the supervision and control of the State board at least an equal amount for the same purpose: *Provided*, That no portion of the appropriations authorized by this Act shall be used by any institution for handicapped persons except for vocational rehabilitation of such individuals entitled to the benefits of this Act as shall be determined by the Federal board; (2) that the State board shall annually submit to the Federal board for approval plans showing (a) the plan of administration and supervision of the work; (b) the qualifications of directors, supervisors, and other employees; and (c) the policies and methods of carrying on the work; (3) that the State board shall make an annual report to the Federal board on or before September 1 of each year on the work done in the State and on the receipts and expenditures of money under the provisions of this Act; (4) that no portion of any money authorized to be appropriated by this Act for the benefit of the States shall be applied, directly or indirectly, to the purchase, preservation, erection, or repair of any building or buildings or equipment, or for the purchase or rental of any lands; (5) that all vocational rehabilitation service given under the supervision and control of the State board shall be available, under such rules and regulations as the Federal board shall prescribe, to any civil employee of the United States disabled while in the performance of his duty."

SEC. 2. Section 3 of such Act of June 2, 1920, as amended (United States Code, title 29, section 34), is amended to read as follows:

"SEC. 3. That in order to secure the benefits of the appropriations authorized by section 1 any State shall, through the legislative authority thereof (1) accept the provisions of this Act; (2) empower and direct the board designated or created as the State board for vocational education to cooperate in the administration of the provisions of the Vocational Education Act, approved February 23, 1917 (United States Code, title 20, chapter 2), to cooperate as herein provided with the Federal Board for Vocational Education in the administration of the provisions of this Act; (3) in those States where a State workmen's compensation board, or other State board, department, or agency exists, charged with the administration of the State workmen's compensation or liability laws, the legislature shall provide that a plan of cooperation be formulated between such State board, department, or agency, and the State board charged with the administration of this Act, such plan to be effective when approved by the governor of the State; (4) provide for the supervision and support of the program of vocational rehabilitation to be provided by the State board in carrying out the provisions of this Act; (5) appoint as custodian for said appropriations its State treasurer, who shall receive and provide for the proper custody and disbursement of all money paid to the State from said appropriations: *Provided*, That any State which, prior to June 30, 1930, has accepted and otherwise complied with the provisions of the Act of June 2, 1920, as amended June 5, 1924, shall be deemed to have accepted and complied with the provisions of this amendment to said Act."

SEC. 3. Section 4 of such Act of June 2, 1920, as amended (United States Code, title 29, section 35), is amended to read as follows:

"SEC. 4. That the Federal Board for Vocational Education shall have power to cooperate with State boards in carrying out the purposes and provisions of this Act, and is hereby authorized to make and establish such rules and regulations as may be necessary or appropriate to carry into effect the provisions of this Act in order to provide for the vocational rehabilitation of disabled persons and their placement in employment; and to cooperate, for the purpose of carrying out the provisions of this Act, with such public and private agencies as it may deem advisable. It shall be the duty of said board (1) to examine plans submitted by the State boards and approve the same if believed to be feasible and found to be in conformity with the provisions and purposes of this Act; (2) to ascertain annually whether the several States are using or are prepared to use the money received by them in accordance with the provisions of this Act; (3) to certify on or before the 1st day of January of each year to the Secretary of the Treasury each State which has accepted the provisions of this Act and complied therewith, together with the amount which each State is entitled to receive under the provisions of this Act; (4) to deduct from the next succeeding allotment to any State whenever any portion of the fund annually allotted has not been expended for the purpose provided for in this Act as a sum equal to such portion; (5) to withhold the allotment of moneys to any State whenever it shall be determined that moneys allotted are not being expended for the purposes and conditions of this Act; and (6) to require the replacement by withholding subsequent allotments of any portion of the moneys received by the custodian of any State under this Act that by any action or contingency is diminished or lost: *Provided*, That if any allotment is withheld from any State the State board of such State may appeal to the Congress of the United States; and if the Congress shall not, within one year from the time of said appeal, direct such sum to be paid, it shall be covered into the Treasury."
