Relating to the provision of butter for the patients of Saint Elizabeths Hospital.

Whereas it is no longer possible for officials of Saint Elizabeths Hospital in the District of Columbia to obtain butter in amounts required to provide for its six thousand nine hundred mentally ill patients, no response having been received from advertisements for bids for the butter required for the month of December 1942, and the weekly purchase of butter in sufficient amounts from other sources being subject to great uncertainty due to the greatly limited supply of available butter stocks: Therefore be it

Saint Elizabeths Hospital.
Butter substitutes.
56 Stat. 585.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That notwithstanding the provisions of the Labor-Federal Security Appropriation Act, 1943, the superintendent of Saint Elizabeths Hospital is hereby authorized, whenever he finds the procurement of an adequate butter supply is not feasible, to purchase from the funds therein appropriated for the hospital, such butter substitutes as may be necessary to meet the requirements of the hospital.

SEC. 2. This Act shall remain in effect only during the present national emergency.

Approved July 12, 1943.
