[S. 2094]

To facilitate the development and construction of water conservation facilities by States and municipalities, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That in order to facilitate the development and construction by States and municipalities of water conservation facilities, certain requirements in the Federal Power Act are made inapplicable to States and municipalities as provided in this Act.

Water conserva-
tion facilities.

41 Stat. 1063; 49
Stat. 863.
16 USC 791a.

SEC. 2. The words used in this Act shall have the same meanings ascribed to them in the Federal Power Act.

SEC. 3. Section 14 of the Federal Power Act pertaining to the taking over by the United States of any project upon or after the expiration of a license, and sections 301 and 302 of said Act requiring certain records and accounting procedures and section 4 (b) requiring the preparation and filing of the statement of actual legitimate original cost of a project, shall not be applicable to any project owned by a State or municipality, and such rights and requirements shall not exist under any license heretofore or hereafter granted to any State or municipality, except that the provisions of section 14 and section 4 (b) shall continue to be applicable to any license issued for a hydroelectric development in the International Rapids section of the Saint Lawrence River. The Federal Power Commission in determining the amount of annual charges applicable to any such project may determine the annual charges with reference to the actual cost of services incurred by the Commission with respect to the project.
