“(2) The period described in this paragraph—

(1) by amending paragraphs (1) through (3) of subsection (a) to read as follows:

“(1)(A) Subject to subparagraph (C), the amount payable for inpatient hospital services furnished to an individual during the individual’s first period of hospitalization to begin during a calendar year shall be reduced by a deduction equal to the inpatient hospital deductible for that year or, if less, the charges imposed with respect to such individual for such services, except that, if the customary charges for such services are greater than the charges so imposed, such customary charges shall be considered to be the charges so imposed.

“(B) For purposes of subparagraph (A), the term ‘period of hospitalization’ means, with respect to an individual, the period beginning on the first day the individual is furnished inpatient hospital services and ending on the individual’s date of discharge (as established by the Secretary for purposes of section 1886) from the hospital (or, in the case of a transfer, hospitals) involved.

“(C) In the case of an individual with respect to whom—

“(i) a period of hospitalization begins during December of any calendar year,

“(ii) an inpatient hospital deductible is imposed with respect to such period of hospitalization, and

“(iii) a period of hospitalization begins during January of the following calendar year,

no inpatient hospital deductible shall be imposed with respect to a period of hospitalization beginning in January of such following year (but such period of hospitalization shall not be taken into account in determining the application of an inpatient hospital deductible for any period of hospitalization beginning for such individual after January 31 of such following year).

Contracts.

“(D) If the Secretary terminates a contract under section 1876 during a year, no inpatient hospital deductible shall be imposed during the remainder of the year in the case of an individual who can demonstrate to the satisfaction of the Secretary that, during a period of enrollment with the organization in the year, the individual was admitted to a hospital for inpatient hospital services for which the organization was obligated to make payment under such section.

“(2)(A) The amount payable to any provider of services under this part for services furnished an individual shall be further reduced by a deduction equal to the expenses incurred for the first three pints of whole blood (or equivalent quantities of packed red blood cells, as defined under regulations) furnished to the individual during each calendar year, except that such deductible for such blood shall in accordance with regulations be appropriately reduced to the extent that there has been a replacement of such blood (or equivalent quantities of packed red blood cells, as so defined); and for such purposes blood (or equivalent quantities of packed red blood cells, as so defined) furnished such individual shall be deemed replaced when the institution or other person furnishing such blood (or such equivalent quantities of packed red blood cells, as so defined) is given one pint of blood for each pint of blood (or equivalent quantities of packed red blood cells, as so defined) furnished such individual with respect to which a deduction is made under this sentence.

“(B) The deductible under subparagraph (A) for blood or blood cells furnished an individual in a year shall be reduced to the extent that a deductible has been imposed under section 1833(b) to blood or blood cells furnished the individual in the year.

“(3)(A) The amount payable for extended care services furnished an individual in any calendar year shall be reduced by the coinsurance amount (promulgated under subparagraph (C) for that year) for each day (before the 9th day) on which he is furnished such services during the year.

“(B) Before September 1 of each year (beginning with 1988), the Secretary shall estimate the national average per diem reasonable cost recognized under this title for extended care services which will be furnished in the succeeding calendar year.

“(C) The Secretary shall, in September of each year (beginning with 1988) promulgate the coinsurance amount which shall apply to extended care services furnished in the succeeding year. Such amount shall be equal to 20 percent of the national average per diem cost estimated under subparagraph (B) in that year. If the coinsurance amount determined under the preceding sentence is not a multiple of 50 cents, it shall be rounded to the nearest multiple of 50 cents (or, if it is a multiple of 25 cents but not a multiple of 50 cents, to the next higher multiple of 50 cents).”; and

(2) by striking paragraph (3) of subsection (b).

“(d)(1) The Secretary shall, during September of each year (beginning with 1988), estimate the monthly actuarial rate for months in the succeeding year. Such actuarial rate shall be one-twelfth of the amount which the Secretary estimates (on an average, per capita basis) is equal to 100 percent of the benefits and administrative costs which will be payable from the Federal Hospital Insurance Trust Fund for services performed and related administrative costs incurred in the succeeding year with respect to individuals age 65 and over who will be entitled to benefits under this part during that entire year.

“(2) The Secretary shall, during September of each year determine and promulgate the dollar amount which shall be applicable for premiums for months occurring in the following year. Such amount shall be equal to the monthly actuarial rate determined under paragraph (1) for that following year. Any amount determined under the preceding sentence which is not a multiple of \$1 shall be rounded to the nearest multiple of \$1 (or, if it is a multiple of 50 cents but not a multiple of \$1, to the next higher multiple of \$1).

“(3) Whenever the Secretary promulgates the dollar amount which shall be applicable as the monthly premium under this section, he shall, at the time such promulgation is announced, issue a public statement setting forth the actuarial assumptions and bases employed by him in arriving at the amount of an adequate actuarial rate for individuals 65 and older as provided in paragraph (1).”

beginning in the preceding calendar year if paragraph (2) did not apply to any preceding calendar year) adjusted by the percentage determined under paragraph (3) for the calendar year in which the taxable year begins, and

“(B) the prescription drug premium rate (which would be in effect under this section for taxable years beginning in the preceding calendar year if paragraph (2) did not apply to any preceding calendar year) adjusted by the percentage determined under paragraph (4) for the calendar year in which the taxable year begins.

“(A) IN GENERAL.—In no event shall the supplemental premium rate determined under this subsection for any taxable year beginning in a calendar year after 1993—

“(i) IN GENERAL.—Except as otherwise provided in this subparagraph, the outlay-premium percentage for any calendar year is—

“(I) the percentage by which the per capita catastrophic outlays in the 2nd preceding calendar year exceed such outlays in the 3rd preceding calendar year, reduced (including below zero) by

“(II) the percentage by which the per capita catastrophic coverage premium liability for the 2nd preceding calendar year exceeds such liability for the 3rd preceding calendar year (determined as if the catastrophic coverage premium rate for the 2nd preceding calendar year were the same as the rate in effect for the 3rd preceding calendar year).

If there is no excess described in subclause (I) or (II), such subclause shall be applied by substituting ‘is less than’ for ‘exceeds’ and the percentage determined with such substitution shall be taken into account as a negative percentage.

“(II) such increase for the 12-month period ending with May of the 2nd preceding calendar year,

by at least 1 percentage point, the percentage determined under clause (i) for the calendar year shall be adjusted up (or down, respectively) by  $\frac{1}{2}$  of the amount by which such excess (or shortage, respectively) exceeds 1 percent.

If there is an excess determined under clause (iii), the percentage determined under the preceding sentence shall be taken into account as a negative percentage.

“(ii) DETERMINATION OF RATE CHANGE.—The rate change determined under this clause for any calendar year is the adjustment in the catastrophic coverage premium rate (otherwise in effect for taxable years beginning in the 2nd preceding calendar year) which the Secretary determines would have resulted in an aggregate increase (or decrease) in the premiums imposed by this section for such taxable years equal to 63 percent of the shortfall or excess determined under clause (iii) for the calendar year.

“(iii) DETERMINATION OF SHORTFALL OR EXCESS.—The shortfall (or excess) determined under this clause for any calendar year is the amount by which—

“(I) 20 percent of the outlays during the 2nd preceding calendar year from the Medicare Catastrophic Coverage Account created under section 1841B of the Social Security Act, exceeds (or is less than)

“(II) the balance in such Account as of the close of such 2nd preceding calendar year (determined by taking into account previous premium increases by reason of the reserve account percentage under this subsection or by reason of section 1839(g)(2) of the Social Security Act but not credited to the Account).

“(D) DEFINITIONS.—For purposes of this paragraph—

“(i) PER CAPITA CATASTROPHIC OUTLAYS.—The term ‘per capita catastrophic outlays’ means, with respect to any calendar year, the amount (as determined by the Secretary of Health and Human Services) equal to—

“(II) the average number of individuals entitled to receive benefits under part A of title XVIII of the Social Security Act during such calendar year.

“(ii) **PER CAPITA CATASTROPHIC COVERAGE PREMIUM LIABILITY.**—The term ‘per capita catastrophic coverage premium liability’ means, with respect to any calendar year, the amount (as determined by the Secretary) equal to—

42 USC 1395i-1a.

**“SEC. 1817A. (a)(1)** There is hereby created on the books of the Treasury of the United States a trust fund to be known as the ‘Federal Hospital Insurance Catastrophic Coverage Reserve Fund’ (in this section referred to as the ‘Reserve Fund’). The Reserve Fund shall consist of such gifts and bequests as may be made as provided in section 201(i)(1) and amounts appropriated under paragraph (2).

**“(2)** There are hereby appropriated to the Reserve Fund, from the supplemental premiums imposed by section 59B of the Internal Revenue Code of 1986 attributable to the supplemental catastrophic premium rate, amounts equivalent to 100 percent of the amount of outlays made under this part attributable to the amendments made by the Medicare Catastrophic Coverage Act of 1988. The amounts appropriated by the preceding sentence shall be transferred from time to time (not less frequently than monthly) from the general fund in the Treasury to the Reserve Fund, such amounts to be determined on the basis of estimates by the Secretary of the Treasury of the premiums, specified in the preceding sentence, paid to or deposited into the Treasury and on the basis of outlays, specified in the previous sentence, made; and proper adjustments shall be made in amounts subsequently transferred to the extent prior estimates were in excess of or were less than the appropriate amounts specified in such sentence. Appropriations under section 1817A(a)(2) of the Social Security Act (as inserted by subsection (a)) shall include the amount calculated under the previous sentence.

“(A) the deduction described in the second sentence of subsection (b) (relating to blood) no longer applied, and

“(B) ‘100 percent’ and ‘0 percent’ were substituted for ‘80 percent’ and ‘20 percent’, respectively, each place either appears in subsections (a) and (i)(2), in sections 1834(a)(1)(A), 1834(e)(1)(C), 1835(b)(2), and 1866(a)(2)(A), and in subsections (b)(2) and (b)(3) of section 1881, except as such provisions may apply to in-home care.

“(C) The Secretary may not enter into a contract with an organization under section 1876, or provide for payment under section 1833(a)(1)(A) with respect to an organization, with respect to a plan that is not a buy-out plan, unless the organization provides assurances, satisfactory to the Secretary, that—

“(III) 1992 is \$652, and

“(IV) any succeeding year, is such an amount as the Secretary determines will result in 16.8 percent of the average number of individuals covered under this part (other than individuals enrolled with an eligible organization under section 1876 or an organization described in section 1833(a)(1)(A)) during that succeeding year having incurred expenses for covered outpatient drugs sufficient to meet the catastrophic drug deductible so determined.

“(ii) ROUNDING.—Any amount determined under this subparagraph which is not a multiple of \$1 shall be rounded to the nearest multiple of \$1.

“(iii) PUBLICATION.—Before May 1 of each year (beginning with 1992) the Secretary shall publish in the Federal Register a proposed regulation establishing the amount of the catastrophic drug deductible under this subparagraph for the following year. During the last 3 days of September of such year, the Secretary shall publish in the Federal Register the final regulation establishing the amount of such deductible for the following year, which amount may not be greater than the amount specified in the proposed regulation.

“(2) PAYMENT AMOUNT.—

“(A) IN GENERAL.—Subject to the catastrophic drug deductible established under paragraph (1)(A) and except as provided in subparagraph (C), the amounts payable under this part with respect to a covered outpatient drug is equal to the payment percent (specified in subparagraph (B)) of the lesser of—

“(i) the actual charge for the drug, or

“(ii) the applicable payment limit established under paragraph (3).

“(B) PAYMENT PERCENT.—For purposes of subparagraph (A), the payment percent is 100 percent minus the applicable coinsurance percent (specified in subparagraph (C)).

“(C) COINSURANCE PERCENT.—For purposes of subparagraph (B), the coinsurance percent—

“(i) for covered home IV drugs and for drugs described in paragraph (1)(A)(iii) (relating to immunosuppressive therapy during the 1st year after transplant), is 20 percent; and

“(ii) for other covered outpatient drugs dispensed—

“(I) in 1990 or 1991, is 50 percent,

“(II) in 1992 is 40 percent, and

“(III) in 1993 or a succeeding year is 20 percent.

Contracts.

“(D) TREATMENT OF CERTAIN COST-BASED PREPAID ORGANIZATIONS.—In applying subparagraph (A) in the case of an organization under a reasonable cost reimbursement contract under section 1876 and in the case of an organization receiving payment under section 1833(a)(1)(A) and providing coverage of covered outpatient drugs, the Secretary shall provide for an appropriate adjustment in the payment amounts otherwise made to reflect the aggregate increase in payments that would otherwise be made with respect to enrollees in such an organization if payments were made other than under such clause or such a contract on an individual-by-individual basis.

“(3) PAYMENT LIMITS.—

“(A) PAYMENT LIMIT FOR NON-MULTIPLE SOURCE DRUGS AND MULTIPLE-SOURCE DRUGS WITH RESTRICTIVE PRESCRIPTIONS.—In the case of a drug that either is not a multiple source drug (as defined in paragraph (9)(A)) or is a multiple source drug and has a restrictive prescription (as defined in paragraph (9)(B)), the payment limit for the drug under this paragraph for a payment calculation period is equal to the lesser of—

“(i) the 90th percentile of the actual charges (computed on a statewide basis, carrier-wide basis, or other appropriate geographic area basis, as specified by the Secretary) for the drug for the second previous payment calculation period, adjusted (as the Secretary determines to be appropriate) to reflect the number of tablets (or other dosage units) dispensed; or

“(ii) the amount of the administrative allowance (established under paragraph (4)) plus the product of—

“(I) the number of tablets (or other dosage units) dispensed, and

“(II) the per tablet or unit average wholesale price for such drug (as determined under subparagraph (C) for the period for purposes of this subparagraph);

except that clause (i) shall not apply to covered outpatient drugs dispensed before January 1, 1992.

“(B) PAYMENT LIMIT FOR MULTIPLE SOURCE DRUGS WITHOUT RESTRICTIVE PRESCRIPTIONS.—In the case of a drug that is a multiple source drug but does not have a restrictive prescription, the payment limit for the drug under this paragraph for a payment calculation period is equal to the amount of the administrative allowance (established under paragraph (4)) plus the product of—

“(i) the number of tablets (or other dosage units) dispensed, and

“(ii) the unweighted median of the per tablet or unit average wholesale prices (determined under subparagraph (C) for purposes of this subparagraph) for such drug for the period.

“(C) DETERMINATION OF UNIT PRICE.—

“(i) IN GENERAL.—For purposes of this paragraph, the Secretary shall determine, with respect to the dispensing of a covered outpatient drug in a payment calculation period (beginning on or after January 1, 1990), the per tablet or unit average wholesale price for the drug.

“(ii) BASIS FOR DETERMINATIONS.—

“(I) DETERMINATION FOR NON-MULTIPLE-SOURCE DRUGS.—For purposes of subparagraph (A), such determination shall be based on a biannual survey conducted by the Secretary of a representative sample of direct sellers, wholesalers, or pharmacies (as appropriate) of wholesale (or comparable direct) prices (excluding discounts to pharmacies); except that if, because of low volume of sales for the drug or other appropriate reasons or in the case of covered outpatient drugs during 1990, the Secretary determines that such a survey is not appropriate with respect to a specific drug, such determination shall be based on published average wholesale (or comparable direct) prices for the drug.

“(II) DETERMINATION FOR MULTIPLE-SOURCE DRUGS.—For purposes of subparagraph (B), the Secretary may base the determination under this subparagraph on the published average wholesale (or comparable direct) prices for the drug or on a biannual survey conducted by the Secretary of a representative sample of direct sellers, wholesalers, or pharmacists (as appropriate) of wholesale (or comparable direct) prices (excluding discounts to pharmacies).

“(III) COMPLIANCE WITH SURVEY REQUIRED.—If a wholesaler or direct seller of a covered outpatient drug refuses, after being requested by the Secretary, to provide the information required in a survey under this clause, or deliberately provides information that is false, the Secretary may impose a civil money penalty of not to exceed \$10,000 for each such refusal or provision of false information. The provisions of section 1128A (other than subsections (a) and (b)) shall apply to civil money penalties under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1128A(a). Information gathered pursuant to the survey shall not be disclosed except as the Secretary determines to be necessary to carry out the purposes of this part.

“(iii) QUANTITY AND TIMING.—Such determination shall be based on the price or prices for purchases in reasonable quantities and shall be made for a payment calculation period based on prices for the first day of

Law  
enforcement  
and crime.

information.

the first month of the previous payment calculation period.

“(iv) GEOGRAPHIC BASIS.—The Secretary shall make such determination, and calculate the payment limits under this paragraph, on a national basis; except that the Secretary may make such determination, and calculate such payment limits, on a regional basis to take account of limitations on the availability of drug products and variations among regions in the average wholesale prices for a drug product.

“(4) ADMINISTRATIVE ALLOWANCE FOR PURPOSES OF PAYMENT LIMITS.—

“(A) IN GENERAL.—Except as provided in subparagraph (B), for drugs dispensed in—

“(i) 1990 or 1991, the administrative allowance under this paragraph is—

“(I) \$4.50 for drugs dispensed by a participating pharmacy, or

“(II) \$2.50 for drugs dispensed by another pharmacy; or

“(ii) a subsequent year, the administrative allowance under this paragraph is the administrative allowance under this paragraph for the preceding year increased by the percentage increase (if any) in the implicit price deflator for gross national product (as published by the Department of Commerce in its ‘Survey of Current Business’) over the 12-month period ending with August of such preceding year.

Any allowance determined under the clause (ii) which is not a multiple of 1 cent shall be rounded to the nearest multiple of 1 cent.

“(B) ADJUSTMENT IN ALLOWANCE FOR MAIL SERVICE PHARMACIES.—The Secretary may, by regulation and after consultation with pharmacists, elderly groups, and private insurers, reduce the administrative allowances established under subparagraph (A) for any drug dispensed by a mail service pharmacy (as defined by the Secretary) based on differences between such pharmacies and other pharmacies with respect to operating costs and other economies.

“(5) ASSURING APPROPRIATE PRESCRIBING AND DISPENSING PRACTICES.—

“(A) IN GENERAL.—The Secretary shall establish a program to identify (and to educate physicians and pharmacists concerning)—

“(i) instances or patterns of unnecessary or inappropriate prescribing or dispensing practices for covered outpatient drugs,

“(ii) instances or patterns of substandard care with respect to such drugs, and

“(iii) potential adverse reactions.

“(B) STANDARDS.—In carrying out the program under subparagraph (A), the Secretary shall establish for each covered outpatient drug standards for the prescribing of the drug which are based on accepted medical practice. In establishing such standards, the Secretary shall incorporate standards from such current authoritative compendia as the Secretary may select; except that the Secretary may

modify such a standard by regulation on the basis of scientific and medical information that such standard is not consistent with the safe and effective use of the drug.

“(C) PROHIBITION OF FORMULARY.—Nothing in this title (including paragraph (8)), other than sections 1861(t)(4)(A) and 1862(c), shall be construed as authorizing the Secretary to exclude from coverage or to deny payment—

“(i) for any specific covered outpatient drug, or specific class of covered outpatient drug, or

“(ii) for any specific use of such a drug for a specific indication unless such exclusion is pursuant to section 1862(a)(1) based on a finding by the Secretary that such use is not safe or is not effective.

Safety.

“(6) TREATMENT OF CERTAIN PREPAID ORGANIZATIONS.—

“(A) GENERAL RULE COUNTING PREPAID PLAN EXPENSES TOWARDS THE CATASTROPHIC DRUG DEDUCTIBLE.—Except as provided in subparagraph (B), expenses incurred by (or on behalf of) a medicare beneficiary for covered outpatient drugs shall be counted (consistent with subparagraph (C)) toward the catastrophic drug deductible established under paragraph (1) whether or not, at the time the expenses were incurred, the beneficiary was enrolled in a plan under section 1833(a)(1)(A) or under section 1876.

“(B) TREATMENT OF DRUG BUY-OUT PLAN EXPENSES.—In the case of a medicare beneficiary enrolled in a month in a drug buy-out plan (as defined in subparagraph (D))—

“(i) expenses incurred by the beneficiary for covered outpatient drugs reimbursed under the plan shall not be counted towards the catastrophic drug deductible, but

“(ii) if the individual disenrolls from the plan during the year, the beneficiary is deemed to have incurred, for each month of such enrollment, expenses for covered outpatient drugs in an amount equal to the actuarial value (with respect to such month) of the deductible for covered outpatient drugs (as computed by the Secretary for purposes of section 1876(e)(1)) applicable on the average to individuals in the United States.

“(C) TREATMENT OF EXPENSES FOR COVERED OUTPATIENT DRUGS INCURRED WHILE ENROLLED IN A PREPAID PLAN OTHER THAN A DRUG BUY-OUT PLAN.—The Secretary may not enter into a contract with an organization under section 1876, or provide for payment under section 1833(a)(1)(A) with respect to an organization which provides reimbursement for covered outpatient drugs, with respect to a plan that is not a drug buy-out plan, unless the organization provides assurances, satisfactory to the Secretary, that—

“(i) the organization will maintain and make available, for its enrollees and in coordination with the appropriate carriers under this part, an accounting of expenses incurred by (or on behalf of) enrollees under the plan for covered outpatient drugs; and

“(ii) the organization will take into account, in any deductibles established under the plan in a year with respect to covered outpatient drugs under this part, the amounts of expenses for covered outpatient drugs in-

curred in the year by (or on behalf of) the beneficiary and otherwise counted towards the catastrophic drug deductible in the year.

“(D) DRUG BUY-OUT PLAN DEFINED.—In this paragraph, the term ‘drug buy-out plan’ means a plan under section 1833(a)(1)(A) or offered by an organization under section 1876 and with respect to which—

“(i) the amount of any deductible under the plan with respect to covered outpatient drugs under this title, is less than 50 percent of—

“(ii) the catastrophic drug deductible specified in paragraph (1)(C).

“(E) MEDICARE BENEFICIARY DEFINED.—In this subsection, the term ‘medicare beneficiary’ means, with respect to a month, an individual covered for benefits under this part for the month.

“(F) TREATMENT OF PLAN CHARGES.—In the case of covered outpatient drugs furnished by an eligible organization under section 1876(b) or an organization described in section 1833(a)(1)(A) which does not impose charges on covered outpatient drugs dispensed to its members, for purposes of this subsection the actual charges of the organization shall be the organization’s standard charges to members, and other individuals, not entitled to benefits with respect to such drugs.

“(7) PHYSICIAN GUIDE.—

“(A) IN GENERAL.—The Secretary shall develop, and update annually, an information guide for physicians concerning the comparative average wholesale prices of at least 500 of the most commonly prescribed covered outpatient drugs. Such guide shall, to the extent practicable, group covered outpatient drugs (including multiple source drugs) in a manner useful to physicians by therapeutic category or with respect to the conditions for which they are prescribed. Such guide shall specify the average wholesale prices on the basis of the amount of the drug required for a typical daily therapeutic regimen.

“(B) MAILING GUIDE.—The Secretary shall provide for mailing, in January of each year (beginning with 1991), a copy of the guide developed and updated under subparagraph (A)—

“(i) to each hospital with an agreement in effect under section 1866,

“(ii) to each physician (as defined in section 1861(r)(1)) who routinely provides services under this part, and

“(iii) to Social Security offices, senior citizen centers, and other appropriate places.

“(8) REPORTS ON OUTLAYS AND RECEIPTS; SPECIAL COST CONTROLS.—

“(A) COMPILATION OF INFORMATION.—The Secretary shall compile information on—

“(i) manufacturers’ prices for covered outpatient drugs, and on charges of pharmacists for covered outpatient drugs, and

“(ii) the use of covered outpatient drugs by individuals entitled to benefits under this part.

The information compiled under clause (i) shall include a comparison of the increases in prices and charges for covered outpatient drugs during each 6 month period (beginning with January 1987) with the semiannual average increase in such prices and charges during the 6 years beginning with 1981.

“(B) REPORTS.—The Secretary shall submit to the Committees on Ways and Means and Energy and Commerce of the House of Representatives and the Committee on Finance of the Senate a report, in May and November of 1989 and 1990 and in May of each succeeding year, providing the information compiled under subparagraph (A). For each such report submitted after 1991, the report shall include an explanation of the extent to which the increases in outlays for covered outpatient drugs under this part are due to the factors described in subparagraphs (A)(i) and (A)(ii).

“(C) MONTHLY REPORTS ON OUTLAYS AND RECEIPTS.—Within 30 days after the end of each month (beginning with October 1991 and ending with April 1993), the Secretary shall report to Congress on the outlays and receipts of the Federal Catastrophic Drug Insurance Trust Fund (in this paragraph referred to as the ‘Trust Fund’) in the month.

“(D) BUDGETARY INFORMATION.—

“(i) IN GENERAL.—In each report submitted under subparagraph (B) after 1991, the Secretary shall include information on—

“(I) the projected budgetary status of the Trust Fund for the succeeding year,

“(II) the projected increases in manufacturers’ prices for covered outpatient drugs and in charges of pharmacists for covered outpatient drugs,

“(III) the projected level of utilization of covered outpatient drugs by medicare beneficiaries, and

“(IV) the projected administrative costs relating to covered outpatient drugs.

“(ii) DETERMINATION AND PUBLICATION OF ANY OUTLAY CONTROLS FOR 1993 AND 1994.—For each such report in 1992 and 1993, the Secretary—

“(I) shall determine in the report whether the anticipated outlays and receipts of the Trust Fund for the succeeding year will provide for at least the minimum contingency margin specified in subparagraph (F) for that succeeding year, and

“(II) if not, shall include in the report (and shall publish in the Federal Register by May 1 of the year a proposed regulation to carry out) changes in the provisions of this part (consistent with subparagraph (E)) in order to reduce outlays from the Trust Fund in that succeeding year sufficiently to provide for the minimum contingency margin specified in subparagraph (F).

Any changes described in subclause (II) in such report shall reflect appropriately each of the anticipated causes of increased or unanticipated outlays for covered outpatient drugs.

“(iii) **EFFECTIVENESS OF REGULATORY CHANGES.**—If proposed regulations are published under clause (ii)(II) in 1992 or 1993, during the last 3 days of September of such year, the Secretary shall publish in the Federal Register a final regulation to implement the changes described in such clause. Notwithstanding any other provision of this part, but subject to subparagraph (E) and unless otherwise provided by law, such changes shall become effective on January 1 of the succeeding year and shall apply only during that succeeding year. Such final regulation may not revise the proposed regulation in a manner that would result in a greater reduction in outlays than would have been the case under the proposed regulation.

“(E) **LIMITATION ON CHANGES.**—In making regulatory changes under subparagraph (D), the Secretary may not—

“(i) provide for a formulary (in violation of paragraph (5)(C));

“(ii) change the methodology for determining whether for a year an individual has met the catastrophic drug deductible established under paragraph (1)(A); or

“(iii) increase the coinsurance percent under paragraph (2)(C) for a year above the coinsurance percent in effect during the previous year.

Clause (ii) shall not be construed as prohibiting the Secretary from increasing the amount of the catastrophic drug deductible under paragraph (1)(A).

“(F) **MINIMUM CONTINGENCY MARGIN DEFINED.**—In this paragraph, the term ‘minimum contingency margin’ means—

“(i) for 1993, 50 percent, and

“(ii) for 1994, 25 percent.

Such margin shall be determined as of the close of each calendar year and shall be determined based on the total outlays from the Trust Fund during the year.

“(9) **DEFINITIONS.**—In this subsection:

“(A) **MULTIPLE SOURCE DRUG.**—

“(i) **IN GENERAL.**—The term ‘multiple source drug’ means, with respect to a payment calculation period, a covered outpatient drug for which there are 2 or more drug products which—

“(I) are rated as therapeutically equivalent (under the Food and Drug Administration’s most recent publication of ‘Approved Drug Products with Therapeutic Equivalence Evaluations’),

“(II) except as provided in clause (ii), are pharmaceutically equivalent and bioequivalent, as defined in clause (iii) and as determined by the Food and Drug Administration, and

“(III) are sold or marketed during the period.

“(ii) **EXCEPTION.**—Subclause (II) of clause (i) shall not apply if the Food and Drug Administration changes by regulation (after an opportunity for public comment of 90 days) the requirement that, for purposes of the publication described in clause (i)(I), in order for drug products to be rated as therapeutically equivalent,

they must be pharmaceutically equivalent and bioequivalent, as defined in clause (iii).

“(iii) DEFINITIONS.—For purposes of this subparagraph:

“(I) PHARMACEUTICALLY EQUIVALENT.—Drug products are pharmaceutically equivalent if the products contain identical amounts of the same active drug ingredient in the same dosage form and meet compendial or other applicable standards of strength, quality, purity, and identity.

“(II) BIOEQUIVALENT.—Drugs are bioequivalent if they do not present a known or potential bioequivalence problem or, if they do present such a problem, are shown to meet an appropriate standard of bioequivalence.

“(III) SOLD OR MARKETED.—A drug is considered to be sold or marketed during a period if it is listed in the publications referred to in clause (i)(I), unless the Secretary determines that such sale or marketing is not actually taking place.

“(B) RESTRICTIVE PRESCRIPTION.—A drug has a ‘restrictive prescription’ only if—

“(i) in the case of a written prescription, the prescription for the drug indicates, in the handwriting of the physician or other person prescribing the drug and with an appropriate phrase (such as ‘brand medically necessary’) recognized by the Secretary, that the particular drug must be dispensed, or

“(ii) in the case of a prescription issued by telephone—

“(I) the physician or other person prescribing the drug (through use of such an appropriate phrase) states that the particular drug must be dispensed, and

“(II) the physician or other person submits to the pharmacy involved, within 30 days after the date of the telephone prescription, a written confirmation which is in the handwriting of the physician or other person prescribing the drug and which indicates with such appropriate phrase that the particular drug was required to have been dispensed.

“(C) PAYMENT CALCULATION PERIOD.—The term ‘payment calculation period’ means the 6-month period beginning with January of each year and the 6-month period beginning with July of each year.

“(D) OUTLAYS; RECEIPTS.—The terms ‘outlays’ and ‘receipts’ mean, with respect to a year or other period, gross outlays and receipts, as such terms are employed in the ‘Monthly Treasury Statement of Receipts and Outlays of the United States Government (MTS)’, as published by the Department of the Treasury, for months in such year or other period.”.

(B) in subsection (h)(4), is amended by adding at the end the following: “In publishing directories under this paragraph, the Secretary shall provide for separate directories (wherever appropriate) for participating pharmacies.”; and

(C) by adding at the end the following new subsection: “(o)(1) For purposes of this section, the term ‘participating pharmacy’ means, with respect to covered outpatient drugs dispensed on or after January 1, 1991, an entity which is authorized under a State law to dispense covered outpatient drugs and which has entered into an agreement with the Secretary, providing at least the following:

“(A) The entity agrees to accept payment under this part on an assignment-related basis for all covered outpatient drugs dispensed to an individual entitled to benefits under this part (in this subsection referred to as a ‘medicare beneficiary’) during a year after—

“(i) the Secretary has notified the entity, through the electronic system described in subparagraph (D)(i), or

“(ii) in the absence of such a system, the entity is otherwise notified that the Secretary has determined, that the individual has met the catastrophic drug deductible with respect to such drugs under section 1834(c)(1) for the year.

“(B) The entity agrees—

“(i) not to refuse to dispense covered outpatient drugs stocked by the entity to any medicare beneficiary, and

“(ii) not to charge medicare beneficiaries (regardless of whether or not the beneficiaries are enrolled under a pre-paid health plan or with eligible organization under section 1876) more for such drugs than the amount it charges to the general public (as determined by the Secretary in regulations).

“(C) The entity agrees to keep patient records (including records on expenses) for all covered outpatient drugs dispensed to all medicare beneficiaries.

“(D) The entity agrees to submit information (in a manner specified by the Secretary to be necessary to administer this title) on all purchases of covered outpatient drugs dispensed to medicare beneficiaries.

“(E) The entity agrees—

“(i) to offer to counsel, or to offer to provide information (consistent with State law respecting the provision of such information) to, each medicare beneficiary on the appropriate use of a drug to be dispensed and whether there are potential interactions between the drug and other drugs dispensed to the beneficiary; and

“(ii) to advise the beneficiary on the availability (consistent with State laws respecting substitution of drugs) of therapeutically equivalent covered outpatient drugs.

“(F) The entity agrees to provide the information requested by the Secretary in surveys under section 1834(c)(3)(C)(ii).

Nothing in this paragraph shall be construed as requiring a pharmacy operated by an eligible organization (described in section 1876(b)) or an organization described in section 1833(a)(1)(A) for the

exclusive benefit of its members to dispense covered outpatient drugs to individuals who are not members of the organization.

“(2) The Secretary shall provide to each participating pharmacy—

“(A) a distinctive emblem (suitable for display to the public) indicating that the pharmacy is a participating pharmacy, and

“(B) upon request, such electronic equipment and technical assistance (other than the costs of obtaining, maintaining, or expanding telephone service) as the Secretary determines may be necessary for the pharmacy to submit claims using the electronic system established under paragraph (4).

“(3) The Secretary shall provide for periodic audits of participating pharmacies to assure—

“(A) compliance with the requirements for participation under this title, and

“(B) the accuracy of information submitted by the pharmacies under this title.

“(4) The Secretary shall establish, by not later than January 1, 1991, a point-of-sale electronic system for use by carriers and participating pharmacies in the submission of information respecting covered outpatient drugs dispensed to medicare beneficiaries under this part.

“(g)(1)(A) Except as provided in this paragraph, paragraphs (4) and (5), and subsections (b) and (f), the monthly premium for each individual enrolled under this part otherwise determined, without regard to this subsection, shall be increased by the sum of the catastrophic coverage monthly premium and the prescription drug monthly premium for months in the year determined under the following table (for months occurring in 1989 through 1993) or determined in accordance with paragraphs (2) and (3) (for months after December 1993):

“In the case of:	The catastrophic coverage monthly premium is:	The prescription drug monthly premium is:
1989.....	\$4.00.....	0
1990.....	\$4.90.....	0
1991.....	\$5.46.....	\$1.94
1992.....	\$6.75.....	\$2.45
1993.....	\$7.18.....	\$3.02.

“(B)(i) Except as provided in subparagraph (C), if the amount of the supplemental premium rate otherwise determined under section 59B of the Internal Revenue Code of 1986 for taxable years beginning in a calendar year is increased as a result of subsection (e)(2)(A)(i) of such section or is reduced as a result of subsection (e)(2)(A)(ii) of such section, the monthly premium increase otherwise determined under this paragraph shall be reduced or increased, respectively, by an amount equal to—

“(I)  $\frac{1}{12}$ th of the excess or shortfall, respectively, determined under clause (ii) for the year, as adjusted under clause (iv), divided by

“(II) the average number of individuals covered under this part during the preceding year.

“(ii) The excess or shortfall determined under this clause for a year is the excess or shortfall, determined by the Secretary of the Treasury, of—

“(I) the total amount of the supplemental premiums imposed under section 59B of the Internal Revenue Code of 1986 in the 2nd preceding year, over

“(II) the total amount of such premiums which would have been imposed in such year if the supplemental premium rate under such section had been increased by the shortfall rate, or decreased by the excess rate, described in clause (iii).

“(iii) The excess rate or shortfall rate under this clause for a year is the excess or shortfall of—

“(I) the supplemental premium rate established under section 59B of the Internal Revenue Code of 1986 for taxable years beginning in the year, and

“(II) the amount of such supplemental rate if determined without regard to subsection (e)(2)(A) of such section.

“(iv) The amount determined under clause (i)(I) for a year shall be increased by the percentage by which the per capita catastrophic coverage premium liability (as determined in section 59B(e)(3)(D)(ii) of the Internal Revenue Code of 1986) for the second preceding year exceeds such liability for the fourth preceding year (determined as if the catastrophic coverage premium rate for the second preceding calendar year were the same as the rate in effect for the fourth preceding calendar year).

“(C) In no event shall the monthly premium increase in effect under this paragraph for months in a year after 1993 be less than the monthly premium increase in effect under this paragraph for months in the preceding year.

“(D) If subparagraph (B) or subparagraph (C), or both, affects the increase in the monthly premium determined under this paragraph for a year, the increase in the monthly premium determined after the application of such subparagraph or subparagraphs shall be allocated between the catastrophic coverage monthly premium and the prescription drug monthly premium on the basis of the respective amounts of such premiums without regard to the application of either such subparagraph.

“(2)(A) In the case of months in a year after 1993, the catastrophic coverage monthly premium is the catastrophic coverage monthly premium (in effect under paragraph (1) or this paragraph for months in the preceding year, determined without regard to paragraph (1)(B) or (1)(C)) adjusted by the percentage determined under subparagraph (B) for the year.

“(B) The percentage determined under this subparagraph for a year shall be the sum of—

“(i) the outlay-premium percentage, and

“(ii) the reserve account percentage.

For purposes of the preceding sentence, negative percentages shall be taken into account as negatives.

“(C)(i) Except as provided in clause (ii), the outlay-premium percentage for any year is the percentage by which—

“(I) the per capita catastrophic outlays in the 2nd preceding year exceeds

“(II) such outlays in the 3rd preceding calendar year.

If there is no excess, this clause shall be applied by substituting ‘is less than’ for ‘exceeds’ and the percentage determined with such substitution shall be taken into account as a negative percentage.

“(ii) If—

“(I) the percentage increase in the CPI for the 12-month period ending with May of the preceding calendar year, exceeds (or is less than)

“(II) such increase for the 12-month period ending with May of the 2nd preceding calendar year, by at least 1 percentage point, the percentage determined under clause (i) for any year shall be adjusted up (or down, respectively) by ½ of the amount by which such excess (or shortage, respectively) exceeds 1 percent.

“(D)(i) The reserve account percentage for any calendar year is the percentage which the premium change determined under clause (ii) is of the catastrophic coverage monthly premium in effect under paragraph (1) or this paragraph for the preceding year (determined without regard to paragraph (1)(B) or (1)(C)). If there is an excess determined under clause (iii), the percentage determined under the preceding sentence shall be taken into account as a negative percentage.

“(ii) The premium change determined under this clause for any year is the adjustment in the catastrophic coverage monthly premium (otherwise in effect for the 2nd preceding year) which the Secretary determines would have resulted in an aggregate increase (or decrease) in the premiums imposed by this subsection for such year equal to 37 percent of the shortfall or excess determined under clause (iii) for the calendar year.

“(iii) The shortfall (or excess) determined under this clause for any year is the amount by which—

“(I) 20 percent of the outlays during the 2nd preceding calendar year from the Medicare Catastrophic Coverage Account created under section 1841B, exceeds (or is less than)

“(II) the balance in such Account as of the close of such 2nd preceding calendar year (determined by taking into account previous premium increases by reason of the reserve account percentage under this paragraph or section 59B(e) of the Internal Revenue Code of 1986 which have not been credited into such Account).

“(3) In the case of months in a year after 1993, the prescription drug monthly premium shall be determined under rules similar to the rules of paragraph (2); except that—

“(A) in determining the prescription drug monthly premium for any month in a year before 1998, the following percentages shall be substituted for 20 percent in paragraph (2)(D)(iii)(I):

“In the case of year:	The percentage is:
1994 .....	75
1995 .....	50
1996 .....	25
1997 .....	25;

“(B) no adjustment by reason of the outlay-premium percentage shall be made for any calendar year before 1998;

“(C) any reference to the Medicare Catastrophic Coverage Account shall be treated as a reference to the Federal Catastrophic Drug Insurance Trust Fund; and

“(D) any reference to the catastrophic coverage monthly premium shall be treated as a reference to the prescription drug monthly premium.

“(4)(A) In the case of an individual who is a resident of Puerto Rico or who is a resident of another U.S. commonwealth or territory during a month, instead of the premium increase provided under

Territories, U.S.

paragraph (1), subject to subsection (b), the monthly premium for each individual enrolled under this part otherwise determined, without regard to this subsection, shall be increased by the sum of—

- “(i) the catastrophic coverage monthly premium determined under subparagraph (B) for such resident for the year, and
- “(ii) the prescription drug monthly premium determined under subparagraph (C) for the resident for the year.

“(B) The catastrophic coverage monthly premium for months—

“(i) in 1989 is \$1.30 for a resident of Puerto Rico and \$2.10 for a resident of another U.S. commonwealth or territory;

“(ii) in 1990 is \$3.56 for a resident of Puerto Rico and \$5.78 for a resident of another U.S. commonwealth or territory; and

“(iii) in a subsequent year, with respect to a resident of Puerto Rico or a resident of another U.S. commonwealth or territory, is the catastrophic coverage monthly premium established under this subparagraph for the preceding year with respect to such a resident increased by the same percentage (estimated by the Secretary in September of that preceding year) by which—

“(I) the per capita catastrophic outlays for the year, will exceed

“(II) the per capita catastrophic outlays for that preceding year.

“(C) The prescription drug monthly premium for months—

“(i) in 1990 is \$0.14 for a resident of Puerto Rico and \$0.22 for a resident of another U.S. commonwealth or territory;

“(I) the per capita prescription drug outlays for the year, will exceed

“(II) the per capita prescription drug outlays for that preceding year.

“(5)(A) In the case of a part B only individual (as defined in paragraph (8)(F)) during a month, instead of the premium increase provided under paragraph (1), subject to subsection (b), the monthly premium otherwise determined, without regard to this subsection, shall be increased by the sum of—

“(i) the catastrophic coverage monthly premium determined under subparagraph (B) for the year, and

“(C) The prescription drug monthly premium for months—

“(i) in 1990 is \$0.53,

“(ii) in 1991 is \$4.61, and

“(6)(A) If any premium increase for a month under this subsection is not a multiple of 10 cents, the Secretary shall round the increase to the nearest multiple of 10 cents.

“(B) If the Secretary so rounds the premium increase, the amount of such increase shall be allocated between the catastrophic coverage monthly premium and the prescription drug monthly premium on the basis of the respective amounts of such premiums without regard to the application of subparagraph (A).

“(7)(A) The Secretary and the Secretary of the Treasury shall jointly—

At the time of providing the copy of the assessment, the State shall include a notice indicating that the spouse has right to a fair hearing under subsection (e)(2)(E) with respect to the determination of the community spouse resource allowance, to provide for an allowance adequate to raise the spouse's income to the minimum monthly maintenance needs allowance.
