“(2) Each month beginning with November 1966, the Director shall determine the per centum change in the price index. Effective the first day of the third month which begins after the price index shall have equaled a rise of at least 3 per centum for three consecutive months over the price index for the base month, each annuity payable from the fund which has a commencing date not later than such effective date shall be increased by the per centum rise in the price index (calculated on the highest level of the price index during the three consecutive months) adjusted to the nearest one-tenth of 1 per centum.

“(b) Eligibility for an annuity increase under this section shall be governed by the commencing date of each annuity payable from the fund as of the effective date of an increase, except as follows:

“(1) Effective from its commencing date, an annuity payable from the fund to an annuitant's survivor (other than a child entitled under section 221(c)), which annuity commences the day after annuitant's death and after January 1, 1967, shall be increased by the total per centum increase the annuitant was receiving under this section at death; or if death occurred between January 1, 1967, and date of enactment, the per centum increase the annuitant would have received.

“(2) Effective from its commencing date, an annuity payable from the fund to a child under section 221(c), which annuity commences the day after annuitant's death and after January 1, 1967, shall be increased by (a) 2 per centum if the annuity from which it is derived commenced on or before January 1, 1966, or (b) 1 per centum if the annuity from which it is derived commenced on or between January 2, 1966, and January 1, 1967.

“(3) For the purposes of computing an annuity which commences after January 1, 1967, to a child under section 221(c), the items \$600, \$720, \$1,800, and \$2,160 appearing in section 221(c) shall be increased by 10.2 per centum plus the total per centum increase allowed and in force under section 291(a)(2) for employee annuities, and, in the case of a deceased annuitant, the items 40 per centum and 50 per centum appearing in section 221(c) shall be increased by the total per centum increase allowed and in force under this section to the annuitant at death; or if death occurred between January 1, 1967, and date of enactment, the per centum increase the annuitant would have received.

“(c) Any annuity increased under this section shall be decreased by the amount of increase in force and effect with respect to that annuity under section 291 prior to the date of enactment of this subsection.

“(d) The term ‘price index’ shall mean the Consumer Price Index (all items—United States city average) published monthly by the Bureau of Labor Statistics. The term ‘base month’ shall mean the month of October 1966 for the first increase under section 291(a)(2) and thereafter the month for which the price index showed a per centum rise forming the basis for a cost-of-living annuity increase.
