“(2) MODIFICATION OF TAX RATES BY EXECUTIVE ORDER.—

“(A) IN GENERAL.—If the President of the United States determines that the rates of tax imposed by paragraph (1), or provided in any prior Executive order issued pursuant to this paragraph, are lower or higher than the rates of tax necessary to limit the total acquisitions by United States persons of stock of foreign issuers and debt obligations of foreign obligors within a range consistent with the balance-of-payments objectives of the United States, he may by Executive order (effective as provided in subparagraph (C) (ii)) increase or decrease such rates of tax.

“(3) RATES DURING INTERIM PERIOD.—In the case of acquisitions of stock and debt obligations made after January 25, 1967, and before the thirtieth day after the date of the enactment of this paragraph, the tax imposed by subsection (a) shall be 22.5 percent in the case of acquisition of stock, and shall be determined under column II (B) (rather than column II (A)) of the table in paragraph (1) (B) in the case of acquisition of a debt obligation.

“(4) REGULATIONS.—The Secretary or his delegate may prescribe such regulations (not inconsistent with the provisions of this section or of any Executive order issued and in effect under this section) as may be necessary to carry out the provisions of this section.”
