JOINT RESOLUTION

November 5, 1971
[H. J. Res. 923]

To assure that every needy schoolchild will receive a free or reduced price lunch as required by section 9 of the National School Lunch Act.

Whereas it appears that under the proposed apportionment of funds available for special assistance under section 11 of the National School Lunch Act for the fiscal year ending June 30, 1972 (including funds appropriated by section 32 of the Act of August 24, 1935, and made available for that purpose), only six States will receive more than 30 cents in such assistance per free or reduced price lunch; and

Whereas it appears that this amount per lunch is not adequate to enable States and schools to continue to participate in the school lunch program and to achieve the objectives of the National School Lunch Act, particularly that of providing a free or reduced price lunch to every needy child: Therefore be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That, notwithstanding any other provision of law, the Secretary of Agriculture shall until such time as a supplemental appropriation may provide additional funds for such purpose use so much of the funds appropriated by section 32 of the Act of August 24, 1935 (7 U.S.C. 612c), as may be necessary, in addition to the funds now available therefor, to carry out the purposes of section 11 of the National School Lunch Act and provide a rate of reimbursement which will assure every needy child of free or reduced price lunches during the fiscal year ending June 30, 1972, and to carry out the purposes of section 4 of the National School Lunch Act and provide an average rate of reimbursement of 6 cents per meal within each State. In determining the amount of funds needed and the requirements of the various States therefor, the Secretary shall consult with the National Advisory Council on Child Nutrition and interested parties. Funds expended under the foregoing provisions of this resolution shall be reimbursed out of any supplemental appropriation hereafter enacted for the purpose of carrying out section 4 and section 11 of the National School Lunch Act, and such reimbursements shall be deposited into the fund established pursuant to section 32 of the Act of August 24, 1935, to be available for the
